CONSTITUTION

ARTICLE III

A DECLARATION OF RIGHTS OF THE PEOPLE OF THE STATE OF MONTANA

Section 2. The people of the state have the sole and exclusive right of governing themselves, as a free, sovereign, and independent state, and to alter and abolish their constitution and form of government, whenever they may deem it necessary to their safety and happiness, provided such change be not repugnant to the constitution of the United States.

Section 5. All elections shall be free and open, and no power, civil or military, shall at any time interfere to prevent the free exercise of the right of suffrage.

ARTICLE V

LEGISLATIVE DEPARTMENT

Section 1. The legislative authority of the state shall be vested in a legislative assembly, consisting of a senate and house of representatives; but the people reserve to themselves power to propose laws, and to enact or reject the same at the polls, except as to laws relating to appropriations of money, and except as to laws for the submission of constitutional amendments, and except as to local or special laws, as enumerated in article V, section 26, of this constitution, independent of the legislative assembly; and also reserve power, at their own option, to approve or reject at the polls, any act of the legislative assembly, except as to laws necessary for the immediate preservation of the public peace, health, or safety, and except as to laws relating to appropriations of money, and except as to laws for the submission of constitutional amendments, and except as to local or special laws, as enumerated in article V, section 26, of this constitution. The first power reserved by the people is the initiative and eight per cent. of the legal voters of the state shall be required to propose any measure by petition; provided, that two-fifths of the whole number of the counties of the state must each furnish as signers of said petition eight per cent. of the legal voters in such county, and every such petition shall include the full text of the measure so proposed. Initiative petitions shall be filed with the secretary of state, not less than four months before the election at which they are to be voted upon.

The second power is the referendum, and it may be ordered either by petition signed by five per cent. of the legal voters of the state, provided that two-fifths of the whole number of the counties of the state must each furnish as signers of said petition five per cent. of the legal voters in such county, or, by the legislative assembly as other bills are enacted.

Referendum petitions shall be filed with the secretary of state, not later than six months after the final adjournment of the session of the legislative assembly which passed the bill on which the referendum is

demanded. The veto power of the governor shall not extend to measures referred to the people by the legislative assembly or by initiative referendum petitions.

All elections on measures referred to the people of the state shall be had at the biennial regular general election, except when the legislative assembly, by a majority vote, shall order a special election. Any measure referred to the people shall still be in full force and effect unless such petition be signed by fifteen per cent. of the legal voters of a majority of the whole number of the counties of the state, in which case the law shall be inoperative until such time as it shall be passed upon at an election, and the result has been determined and declared as provided by law. The whole number of votes cast for governor at the regular election last preceding the filing of any petition for the initiative or referendum shall be the basis on which the number of legal petitions and orders for the initiative and for the referendum shall be filed with the secretary of state; and in submitting the same to the people, he, and all other officers, shall be guided by the general laws and the act submitting this amendment, until legislation shall be especially provided therefor. The enacting clause of every law originated by the initiative shall be as follows:

“Be it enacted by the people of Montana.”

This section shall not be construed to deprive any member of the legislative assembly of the right to introduce any measure. (As amended by Ch. 61, Laws 1905, effective December 7, 1906.)

Section 2. Senators shall be elected for the term of four years, and representatives for the term of two years, except as otherwise provided in this constitution.

Section 3. No person shall be a representative who shall not have attained the age of twenty-one years, or a senator who shall not have attained the age of twenty-four years, and who shall not be a citizen of the United States, and who shall not (for at least twelve months next preceding his election) have resided within the county or district in which he shall be elected.

Section 4. The legislative assembly of this state, until otherwise provided by law, shall consist of sixteen members of the senate, and fifty-five members of the house of representatives.

It shall be the duty of the first legislative assembly to divide the state into senatorial and representative districts, but there shall be no more than one senator from each county. The senators shall be divided into two classes. Those elected from odd-numbered districts shall constitute one class, and those elected from even-numbered districts shall constitute the other class; and when any additional senator shall be provided for by law, his class shall be determined by lot.

One-half of the senators elected to the first legislative assembly shall hold office for one year, and the other half for three years; and it shall be determined by lot immediately after the organization of the senate, whether the senators from the odd or even-numbered districts shall hold for one or three years.

Section 9. The senate shall, at the beginning and close of each regular session, and at such other times as may be necessary, elect one of its members president pro tempore. The house of representatives shall elect one of its members speaker. Each house shall choose its other officers, and shall judge of the elections, returns, and qualifications of its members.

Section 26. The legislative assembly shall not pass local or special laws in any of the following enumerated cases, that is to say: For granting divorces; laying out, opening, altering or working roads or highways; vacating roads, town plats, streets, alleys or public grounds; locating or changing county seats; regulating county or township affairs; regulating the practice in courts of justice; regulating the jurisdiction and duties of justices of the peace, police magistrates or constables; changing the rules of evidence in any trial or inquiry; providing for changes of venue in civil or criminal cases; declaring any person of age; for limitation of civil actions, or giving effect to informal or invalid deeds; summoning or impaneling grand or petit juries; providing for the management of common schools; regulating the rate of interest on money; the opening or conducting of any election or designating the place of voting; the sale or mortgage of real estate belonging to minors or others under disability; chartering or licensing ferries or bridges or toll roads; chartering banks, insurance companies and loan and trust companies; remitting fines, penalties or forfeitures; creating, increasing or decreasing fees, percentages or allowances of public officers; changing the law of descent; granting to any corporation, association or individual the right to lay down railroad tracks, or any special or exclusive privilege, immunity or franchise whatever; for the punishment of crimes; changing the names of persons or places; for the assessment or collection of taxes; affecting estates of deceased persons, minors or others under legal disabilities; extending the time for the collection of taxes; refunding money paid into the state treasury; relinquishing or extinguishing in whole or in part the indebtedness, liability or obligation of any corporation or person to this state, or to any municipal corporation therein; exempting property from taxation; restoring to citizenship persons convicted of infamous crimes; authorizing the creation, extension or impairing of liens; creating offices, or prescribing the powers or duties of officers in counties, cities, township or school districts; or authorizing the adoption or legitimation of children. In all other cases where a general law can be made applicable, no special law shall be enacted.

Section 45. When vacancies, caused by death, occur in either house of the legislative assembly, such vacancies shall be filled by appointment by the board of county commissioners of the county from which such vacancy occurs. All vacancies occurring from any other cause shall be filled by election upon proclamation of the governor. (As amended by Ch. 137, Laws 1931, effective December 9, 1932.)

The legislative assembly shall provide by law for an enumeration of the inhabitants of the state in the year 1895, and every tenth year thereafter; and at the session next following such enumeration, and also at the session next following an enumeration made by the authority of the United States, shall revise and adjust the apportionment for representatives on the basis of such enumeration according to ratios to be fixed by law.

When a representative district shall be composed of two or more counties, they shall be contiguous, and the districts as compact as may be. No county shall be divided in the formation of representative districts.

TITLE 11

CITIES AND TOWNS

CHAPTER 2

CLASSIFICATION AND ORGANIZATION OF CITIES AND TOWNS

- Section 11-203. Organization of cities and towns—petition and census.
 11-204. Election—how conducted.
 11-205. First election for officers.
 11-206. Officers elected and conduct of election.
 11-209. Old officers continue in office—election.

11-203. (4961) Organization of cities and towns—petition and census. Whenever the inhabitants of any part of a county desire to be organized into a city or town, they may apply by petition in writing, signed by not less than fifty qualified electors, residents of the state, and residing within the limits of the proposed incorporation, to the board of county commissioners of the county in which the territory is situated, which petition

must describe the limits of the proposed city or town, and of the several wards thereof, which must not exceed one square mile for each five hundred inhabitants resident therein. The petitioners must annex to the petition a map of the proposed territory to be incorporated, and state the name of the city or town. The petition and map must be filed in the office of the county clerk. Upon filing the petition, the board of county commissioners, at its next regular or special meeting, must appoint some suitable person to take a census of the residents of the territory to be incorporated. After taking the census, the person appointed to take the same must return the list to the board of county commissioners, and the same must be filed by it in the county clerk's office. No municipal corporation must be formed unless the number of inhabitants is three hundred or upwards.

History: First general municipal incorporation act was that of Feb. 17, 1881 (L. 1881, pp. 13-38); superseded by Secs. 315-440, 5th Div. Comp. Stat. 1887. Many of the provisions of this act are so different from the present law that exact historical comparisons of the several sections cannot be made. This section en. Sec. 315, 5th Div. Comp. Stat. 1887; re-en. Sec. 4720, Pol. C. 1895; re-en. Sec. 3208, Rev. C. 1907; amd. Sec. 1, Ch. 56, L. 1909; re-en. Sec. 4961, R. C. M. 1921.

11-204. (4962) Election—how conducted. After filing the petition and census, if there be the requisite number of inhabitants for the formation of a municipal corporation, as required in the preceding section, the county commissioners must call an election of all the qualified electors residing in the territory, described in the petition. Said election must be held at a convenient place within the territory described in the petition, to be designated by the board, notice of which election must be given by publication in some newspaper published within the limits of the territory to be incorporated, or, if none be published therein, by posting notice in three public places within said limits. The notice must be published thirty days prior to the election, and must specify the time and place when and where the same is held, and contain a description of the boundaries of the city or town. The board must appoint judges and clerks of election, who must qualify as required by law, and after the election they must report the result to the board, together with the ballots cast at said election. The ballots used at the election must be "For incorporation" or "Against incorporation," and all elections must be conducted as provided in Title 23 of this code.

History: En. Sec. 316, 5th Div. Comp. Stat. 1887; amd. Sec. 2, p. 178, L. 1889; re-en. Sec. 4721, Pol. C. 1895; re-en. Sec. 3209, Rev. C. 1907; re-en. Sec. 4962, R. C. M. 1921.

11-205. (4963) First election for officers. When the incorporation of a city or town is completed, the board of county commissioners must give notice for thirty days in a newspaper published within the limits of the city or town, or, if none be published therein, by posting notices in six public places within the limits of the corporation, of the time and place or places of holding the first election for offices of the corporation. At such election all the electors qualified by the general election laws of the state, and who have resided within the limits of the city or town for six months, and within the limits of the ward for thirty days preceding the election, are qualified electors and may choose officers for the city or town, to hold office as prescribed in the next succeeding section.

History: Ap. p. Sec. 318, 5th Div. Comp. 3210, Rev. C. 1907; re-en. Sec. 4963, R. C. Stat. 1887; amd. Sec. 2, p. 178, L. 1889; re-en. Sec. 4722, Pol. C. 1895; re-en. Sec. M. 1921.

11-206. (4964) Officers elected and conduct of election. At such election there must be elected, in a city of the first class, a mayor, a police judge, a city attorney, a city treasurer, a city marshal, and two aldermen from each ward into which the city may be divided; in a city of the second class, a mayor, a police judge, a city treasurer, a city marshal, and two aldermen from each ward; in a town, a mayor, and two aldermen from each ward, who hold office until the first Monday of May after the first annual election, and until their successors are elected and qualified. The persons so elected must qualify in the manner prescribed by law for county officers. The board of county commissioners must appoint judges and clerks of election, and canvass and declare the result thereof. The election must be conducted in the manner required by law for the election of county officers.

History: En. Sec. 318, 5th Div. Comp. 3211, Rev. C. 1907; re-en. Sec. 4964, R. Stat. 1887; amd. Sec. 2, p. 178, L. 1889; re-en. Sec. 4723, Pol. C. 1895; re-en. Sec. C. M. 1921.

11-209. (4967) Old officers continue in office—election. All officers of such city or town holding office at the time of the adoption of this code remain in office until the next annual election and the first Monday of May next ensuing thereafter, and until their successors are elected and qualified. The duties and compensation of such officers and the liabilities of sureties on official bonds remain the same. All elections must be held under the provisions of this code relative to the government of cities and towns.

History: En. Sec. 5034, Pol. C. 1895; re-en. Sec. 3483, Rev. C. 1907; re-en. Sec. 4967, R. C. M. 1921.

CHAPTER 4

ADDITIONS OF PLATTED TRACTS TO CITIES AND TOWNS

Section 11-405. Election on the question of annexation.

11-405. (4979) Election on the question of annexation. When a city or town desires to be annexed to another and contiguous city or town, the council of each thereof must appoint three commissioners to arrange and

report to the municipal authorities respectively, the terms and conditions on which the annexation can be made, and if the city or town council of the municipal corporation to be annexed approves of the terms thereof, it must by ordinance so declare, and thereupon submit the question of annexation to the electors of the respective cities or towns. If a majority of the electors vote in favor of annexation, the council must so declare, and a certified copy of the proceedings for annexation and of the ordinances must be filed with the clerk of the county in which the cities or towns so annexed are situated, and when so filed the annexation is complete, and the city or town to which the annexation is made has power, in addition to other powers conferred by this title, to pass all necessary ordinances to carry into effect the terms of the annexation. Such annexations do not affect or impair any rights, obligations, or liabilities then existing, for or against either of such cities or towns.

History: En. Sec. 322, 5th Div. Comp. re-en. Sec. 3215, Rev. C. 1907; re-en. Sec. Stat. 1887; re-en. Sec. 4727, Pol. C. 1895; 4979, R. C. M. 1921.

(2) Such question may be so submitted at the next general municipal election to be held in such municipal corporation, or it may be so submitted prior to such general election, either at a special election called therein for that purpose, or at any other municipal election therein, except an election at which the submission of such question is prohibited by law; and such council or legislative body is hereby empowered to and it shall be its duty to cause notice to be given of such election by the publication of a notice thereof in a newspaper printed and published in such municipal corporation

If the question of annexation is submitted at a general city or town election, the polls shall be kept open during the same hours as are fixed for the general election, and the judges and clerks for such general election shall act as the judges and clerks thereof.

If the said annexation election is held at the same time as a general city or town election, then the returns shall be canvassed by the city or town council at the same time as the returns for such general election; but if the question of annexation is submitted at a special election, then the city or town council shall meet within ten (10)

days after the date of the holding of such special election and canvass the returns.

Such resolution shall recite that a petition has been filed with the said council or other legislative body with a sufficient number of signatures of thirty-three and one-third per cent ($33\frac{1}{3}\%$) of the resident free holder electors of the territory proposed to be annexed; a description of the boundaries of the territory or territories to be annexed; a copy of the resolution ordering a general or special election thereof, as the case may be; a copy of the notice of such election; the time and result of the canvass of the votes received in favor of annexation, and the number thereof cast against annexation; and that the boundaries of such city or town, by such resolution, shall be extended so as to embrace and include such territory or territories as the same are described in the petition for annexation, which said resolution shall be incorporated in the minutes of said council or legislative body.

and third classes to include contiguous land, but is intended and does provide an alternative method for the annexation of territory or territories to municipal corporations. When any proceedings for annexation of territory or territories to any municipal corporation are commenced under this act the provisions of this act and of such amendments thereto as may thereafter be adopted, and no other, shall apply to such proceedings.

11-714. (5008) Qualification of aldermen. No person shall be eligible to the office of alderman unless he shall be a taxpaying freeholder within the limits of a city, and a resident of the ward so electing him for at least one year preceding such election.

Where the city or town is divided into wards there must be at least one (1) voting place in each ward and there may be as many more as the council or other governing body shall fix, and the elector must vote in the ward in which he resides. In cities and towns divided into wards the election precincts must correspond with the wards, but a ward may be subdivided into several voting precincts, and when so divided the elector shall vote in the precinct in which he resides. In cities and towns operating under the commission, or the commission-manager plan of municipal government, where there are no wards for election purposes and the officers of the city or town are elected at large, the election precincts shall correspond with the election precincts in such city or town as fixed by the board of county commissioners for state and county elections, but such precincts may be by the city commission divided into as many voting precincts, to facilitate the voting and counting of the vote, as the city commission shall by ordinance provide, and the elector shall vote in the voting precinct so designated, in which he resides. For all municipal elections the city council or other governing body may appoint a second or additional board of election judges for any voting precinct in which there were cast three hundred and fifty (350) or more votes in the last general city election or in which council or other governing body believes as many as three hundred and fifty (350) ballots will be cast in the next general city election, and such additional board of election judges shall have the same powers and duties, and under the same conditions, as the second or additional board of election judges for general elections appointed by boards of county commissioners under the provisions of section 23-601. All municipal elections must be conducted in accordance with the general laws of the state of Montana relating to such election.

History: En. Sec. 1, Ch. 187, L. 1907; 1921; amd. Sec. 1, Ch. 19, L. 1939; amd. Sec. 3232, Rev. C. 1907; amd. Sec. 1, Ch. Sec. 1, Ch. 86, L. 1941; amd. Sec. 1, Ch. 59, L. 1909; re-en. Sec. 5011, R. C. M. 124, L. 1947; amd. Sec. 1, Ch. 14, L. 1955.

11-718. (5012) Canvass—when and how made. On the Monday following any election, the council must convene and publicly canvass the result, and issue certificates of election to each person elected by a plurality of votes. When two or more persons have received an equal and highest number of votes for any one of the offices voted for, the council must thereafter, at its first regular meeting, decide by vote between the parties which is elected. If the council from any cause fails to meet on the day named, the mayor must call a special meeting of the council within five days thereafter, and, in addition to the notice provided for calling special meetings, must publish the same on two successive days in some newspaper published in such city or town. If the mayor fails to call said meeting within said five days, any three councilmen may call it. At such special meeting all elections, appointments, or other business may be transacted that could have been on the day first herein named.

History: En. Sec. 4757, Pol. C. 1895; re-en. Sec. 3233, Rev. C. 1907; re-en. Sec. 5012, R. C. M. 1921.

11-719. (5013) Oath and bonds—vacancy. Each officer of a city or town must take the oath of office, and such as may be required to give bonds, file the same, duly approved, within ten days after receiving notice of his election or appointment; or, if no notice be received, then on or before the date fixed for the assumption by him of the duties of the office to which he may have been elected or appointed, but if any one, either elected or appointed to office, fails for ten days to qualify as required by law, or enter upon his duties at the time fixed by law, then such office becomes vacant; or if any officer absents himself from the city or town continuously for ten days without the consent of the council, or openly neglects or refuses to discharge his duties, such office may be by the council declared vacant; or if any officer removes from the city or town, or any alderman from his ward, such office must be by the council declared vacant.

History: En. Sec. 4758, Pol. C. 1895; re-en. Sec. 3234, Rev. C. 1907; re-en. Sec. 5013, R. C. M. 1921.

History: En. Sec. 4759, Pol. C. 1895; re-en. Sec. 3235, Rev. C. 1907; re-en. Sec. 5014, R. C. M. 1921.

11-721. (5015) Vacancies—how filled—removal of officer. When any vacancy occurs in any elective office, the council, by a majority vote of the members, may fill the same for the unexpired term, and until the qualification of the successor. A vacancy in the office of alderman must be filled from the ward in which the vacancy exists, but if the council shall fail to fill such vacancy before the time for the next election, the qualified electors of such city or ward may nominate and elect a successor to such office. The council, upon written charges, to be entered upon their journal, after notice

to the party and after trial by the council, by vote of two-thirds of all the members elect, may remove any officer.

ORDINANCES—INITIATIVE AND REFERENDUM

- Section 11-1104. Initiative in cities—petition.
- 11-1105. Submission of question at regular election.
- 11-1106. No ordinance to be effective until thirty days after passage.
- 11-1107. Referendum petition.
- 11-1108. Referendum to be had at regular election.
- 11-1109. Special election may be ordered.
- 11-1110. Proclamation of election.

- 11-1112. Qualifications of voters.
- 11-1113. Forms of petitions and conduct of proceedings.
- 11-1114. To what ordinances applicable.

11-1104. (5058) Initiative in cities—petition. (1) Ordinances may be proposed by the legal voters of any city or town in this state, in the manner provided in this act. Eight per cent of the legal voters of any city or town may propose to the city or town council an ordinance on the subject within the legislative jurisdiction and powers of such city or town council, or an ordinance amending or repealing any prior ordinance or

ordinances. Such petition shall be filed with the city or town clerk. It shall be the duty of the city or town clerk to present the same to the council at its first meeting next following the filing of the petition. The council may, within sixty days after the presentation of the petition to the council, pass an ordinance similar to that proposed in the petition, either in exact terms or with such changes, amendments, or modifications as the council may decide upon. If the ordinance proposed by the petition be passed without change, it shall not be submitted to the people, unless a petition for referendum demanding such submission shall be filed under the provisions of this act.

(2) If the council shall have made any change in the proposed ordinance, a suit may be brought in the district court in and for the county in which the city or town is situated, to determine whether or not the change is material. Such suit may be brought in the name of any one or more of the petitioners. The city shall be made the party defendant. Any elector of the city or town may appear in such suit in person or by counsel on the hearing thereof, but the court shall have the power to limit the number of counsel who shall be heard on either side, and the time to be allowed for argument. It shall only be necessary to state in the complaint that a petition for an ordinance was filed in pursuance of this act; that the city council passed an ordinance on the subject different from that proposed in the petition; and that the plaintiff desires a construction of the ordinance so passed to determine whether or not it differ materially from that proposed. The petition and the ordinance proposed thereby, and the ordinance actually passed, may be set out in the complaint, or copies thereof annexed to the complaint. The names to the petition need not be set out. Such cases shall be advanced and brought to hearing as speedily as possible, and have precedence over other cases, except criminal and taxation cases.

(3) The court shall have jurisdiction in such cases to determine whether or not the change made by the city council is material, and also whether the petition was regular in form or substance, and shall also have power to decide, if the fact be put in issue by the defendant, whether or not the petition was signed by a sufficient number of voters and was regular in form. If the court shall decide that the change was material and that the petition was regular in form and signed by a sufficient number of legal voters, then the ordinance proposed by the petition shall be submitted to the people as provided in this act. If the court shall decide that the ordinance passed by the council was not materially different from that proposed in the petition, or the petition was not regular in form, or not signed by a sufficient number of legal voters, the ordinance shall not be submitted to the people. If the court shall decide that the changes made by the council were material, but that the petition was irregular for some reason, or not properly or sufficiently signed, a new petition, regular in form, may be presented by the required number of legal voters, asking the council to submit such ordinance to the people, and thereupon the same shall be so submitted as provided in this act.

(4) If the council shall not, within sixty days, pass an ordinance on the subject of the ordinance proposed in the petition, then the ordinance proposed by the petition shall be submitted to the people. Before submitting such ordinance to the people, the mayor or city or town council

may direct that a suit be brought in the district court in and for the county, in the name of the city or town, to determine whether the petition and ordinance are regular in form, and whether the ordinance so proposed would be valid and constitutional. The complaint shall name as defendants not less than ten nor more than twenty of the petitioners. In addition to the names of such defendants, in the caption of the complaint, there shall be added the words, "and all petitioners whose names appear on the petition for an ordinance filed on the day of, in the year,," stating the date of filing. The summons shall be similarly directed and shall be served on the defendants named therein, and in addition thereto shall be published at least once, at the expense of the city, in at least one newspaper published in the city or town.

(5) In all suits brought under this section the decision of the district court shall be final except in cases where it shall decide that the proposed ordinance would be unconstitutional or invalid as being beyond the powers of the city or town council, and in such excepted cases the petitioners, or any of them, may appeal to the supreme court as in other cases, but shall not be required to give any bond for costs. The decision of the district court holding such ordinance valid or constitutional shall not, however, prevent the question being raised subsequently, if the ordinance shall be passed and go into effect, by anyone affected by the ordinance. No costs shall be allowed to either side in suits or appeals under this section.

(6) If an ordinance shall be repealed pursuant to a proposal initiated by the legal voters of a city or town, as in this section provided, the city or town council may not, within a period of two years thereafter, re-enact such ordinance or any ordinance so similar thereto as not to be materially different therefrom. If during such two-year period the council shall enact an ordinance similar to the one repealed pursuant to initiative of the voters, a suit may be brought to determine whether such new ordinance be a re-enactment without material change of the one so repealed, and the provisions of subsections 2 and 3 hereof shall apply to such suit and determination of the issues arising thereon. Nothing herein contained shall prevent exercise of the initiative herein provided for, at any time, to procure a re-enactment of an ordinance repealed pursuant to initiative of the voters.

The referendum or initiative ballots shall be counted, canvassed, and returned by the regular board of judges, clerks, and officers, as votes for candidates for office are counted, canvassed, and returned. The returns for the questions submitted by the voters of the municipality shall be on separate sheets, and returned to the clerk of the municipality. The returns shall be canvassed in the same manner as the returns of regular elections for municipal officers. The mayor of the municipality shall issue his proclamation, as soon as the result of the final canvass is known, giving the whole number of votes cast in the municipality for and against such measure, and it shall be published in like manner as other proclamations herein provided for. The city clerk shall perform the duties which, under the state laws, devolve upon the county clerk and secretary of state, insofar as the provisions relating thereto may be made to apply to the case of the city or town clerk; but it shall not be necessary to mail or distribute copies of the petitions or measures to the electors of the city or town.

COMPANIES AND DISTRICTS

Section 11-2010. Trustees of fire districts—appointment—powers.

11-2010. (5149) Trustees of fire districts—appointment—powers. (a) Whenever the board of county commissioners shall have established a fire district in any unincorporated territory, town or village, said commissioners shall appoint five qualified trustees to govern and manage the affairs of the fire district, who shall hold office until their successors are elected and qualified, as hereinafter provided. Qualifications of electors and trustees, terms of office, vacancies, manner and date of elections, shall, as far as possible, be the same as provided in the school election laws for school districts of the second class; except, that only electors who are taxpayers affected by the special fire district levies may vote at such elections, and be qualified to serve as trustees; and except, also, there need be no special registration of electors.

(b) Power of trustee. The trustees shall organize by choosing a chairman, and appointing one member to act as secretary. They shall prepare and adopt suitable by-laws; appoint and form fire companies that shall have the same duties, exemptions, and privileges as other fire companies. The trustees shall have the authority to provide adequate and standard fire-fighting apparatus, equipment, housing and facilities for the protection of the district; and shall prepare annual budgets and request special levies therefor. The budget laws relating to county budgets, shall, as far as applicable, apply to fire districts.

(c) The trustees of such fire district may contract with the council of any city or town lying within five (5) miles of the farthest limits of the district, for the extension of fire protection service by such city or town

to property included within the district, and may agree to pay a reasonable consideration therefor, provided, that the owners of ten per cent (10%) of the taxable value of the property in any fire district may elect to make a contract with the city fire department for fire protection, or to be included in the fire district protection facilities. CHAPTER 22

SPECIAL IMPROVEMENT DISTRICTS

- Section 11-2217. Cities and towns may establish sewage treatment and disposal plants and systems and water supply and distribution systems.
 11-2218. May issue bonds—sinking fund—rates for service, etc.
 11-2271. Loans from revolving fund for paying improvement district warrants —authorization by electors.
 11-2275. Creation and maintenance of fund.
 11-2276. Issuance of bonds—submission to electors.

11-2217. Cities and towns may establish sewage treatment and disposal plants and systems and water supply and distribution systems. Any city or town may when authorized so to do by a majority vote of the qualified electors voting on the question establish, build, construct, reconstruct and/or extend a storm and/or sanitary sewerage system and/or a plant or plants for treatment or disposal of sewage therefrom, or a water supply and/or distribution system, or any combinations of such systems, and may operate and maintain such facilities for public use, and in addition to all other powers granted to it, such municipality shall have authority, by ordinance duly adopted by the governing body to charge just and equitable rates, charges or rentals for the services and benefits directly or indirectly furnished thereby. Such rates, charges or rentals shall be as nearly as possible equitable in proportion to the services and benefits rendered, and sewer charges may take into consideration the quantity of sewage produced and its concentration and water pollution qualities in general and the cost of disposal of sewage and storm waters. The sewer charges may be fixed on the basis of water consumption or any other equitable basis the governing body may deem appropriate and, if the governing body determines that the sewage treatment and/or storm water disposal prevents pollution of sources of water supply, may be established as a surcharge on the water bills of water consumers or on any other equitable basis of measuring the use and benefits of such facilities and services. In the event of nonpayment of charges for either water or sewer service and benefits to any premises, the governing body may direct the supply of water to such premises to be discontinued until such charges are paid.

In this act "qualified electors" shall mean registered electors of the municipality whose names appear upon the last preceding assessment roll for state and county taxes as taxpayers upon property within the municipality. The question of building, constructing, reconstructing or extending the system, plant or plants and the question of issuing and selling revenue

bonds for such purpose may be submitted as a single proposition or as separate propositions. Any election under this act may be called by a resolution of the governing body which it may adopt without being previously petitioned to do so.

History: En. Sec. 1, Ch. 149, L. 1943; amd. Sec. 1, Ch. 100, L. 1947; amd. Sec. 1, Ch. 98, L. 1955.

11-2218. May issue bonds—sinking fund—rates for service, etc. Any such municipality may issue and sell negotiable revenue bonds for the construction of any such water or sewer system or combined water and sewer system when authorized so to do by a majority vote of the qualified electors voting on the question at an election called by the city council or other governing body of the municipality for that purpose, and noticed and conducted in accordance with the provisions of sections 11-2308 to 11-2310, inclusive; which bonds shall bear interest at a rate or rates and shall be sold at a price resulting in an average net interest cost, computed to the stated bond maturity dates, of not more than five per cent (5%) per annum and all bonds shall mature within forty (40) years from date of bonds, and may be registered as to ownership of principal only with the treasurer of said municipality, if so directed by the governing body. No bonds shall be sold for less than par, and each of said bonds shall state plainly on its face that it is payable only from a sinking fund, naming said fund and the ordinance and resolution creating it, and that it does not create an indebtedness within the meaning of any charter, statutory or constitutional limitation upon the incurring of indebtedness.

Prior to the issuance of said bonds the city council or other governing body of such municipality shall adopt an ordinance or resolution authorizing the issuance and sale of said bonds.

At the time of, or before the issuance and sale of any such bonds, the governing body must create a sinking fund for the payment of the bonds and the interest thereon and charges of the fiscal agency for making payment of the bonds and interest thereon.

At or before the issuance and sale of any such bonds, the governing body shall, by resolution or ordinance, set aside a sinking fund and pledge to the payment of the bonds and the interest thereon the net income and revenues of the system, including all additions thereto and replacements and improvements thereof subsequently constructed or acquired, up to an amount sufficient to provide for the payment of the principal and the interest on the bonds as such principal and interest shall become due and payable, and to accumulate and maintain reserves securing such payments in such amount as shall be deemed by the governing body to be necessary and expedient.

The said net income and revenues above-mentioned shall be construed to mean all the gross income from said system less normal, reasonable and current expenses of operation and maintenance thereof.

Said payments above-mentioned shall constitute a first and prior charge and lien on the entire net income and revenues derived from the operation of said system, provided that the governing body shall have power from time to time to establish the relative priority of the liens of successive issues

of bonds upon said net income and revenues, subject to any restrictions contained in the ordinances or resolutions authorizing bonds of prior issues.

Any such municipality, by ordinance or resolution adopted by its governing body, and without an election, may issue and sell negotiable revenue bonds to refund bonds previously issued for any of the foregoing purposes, whether issued under authority of this section or any other applicable law.

Any municipality having issued bonds payable from net revenues of its water and sewer system or combined water and sewer system, whether under authority of this section or otherwise, may issue additional bonds after authorization by the qualified electors in the manner hereinabove provided, to finance the reconstruction and improvement of such system and the construction of additions thereto, and may provide that such additional bonds shall be payable from said net revenues on a parity with the outstanding bonds of such previous issues, subject to any restrictions upon such issuance which may be imposed by the resolutions or ordinances authorizing said outstanding bonds; or the governing body may provide for the issuance of refunding bonds, without an election, to retire such outstanding bonds and may, if desired, combine such refunding issue with the issue authorized by the electors for reconstruction, improvements and additions, or may include the amount required for such refunding in the amount of such additional issue when submitted to the electors. Said refunding bonds, or any bonds of any such combined issue, may be exchanged at par and accrued interest for all or part of said outstanding bonds, with the consent of the holders thereof, or may be deposited in escrow for the purpose of such exchange with a suitable bank or trust company within or without the state; or proceeds of the sale of the refunding or combined issue may be similarly deposited in escrow and applied to the redemption of all or part of the outstanding bonds at maturity or when the same are next prepayable according to their terms, and to the payment of accrued interest thereon and of any premium payable for redemption prior to maturity, and to the purchase and retirement of any outstanding bonds which can be so purchased at a price less than par plus interest to accrue to maturity or, if prepayable, at a price less than par plus interest to accrue to their earliest possible redemption date plus any premium payable upon redemption prior to maturity; and any revenue bond proceeds so deposited in escrow may be invested in general obligations of the United States pending the use thereof for the purposes herein authorized, and any such investments shall be deposited with the escrow agent for safekeeping. Nothing herein shall, however, be deemed to authorize the refunding of any matured bonds for the payment of which net revenues on hand are sufficient, or to authorize the refunding of any outstanding bonds at a higher rate of interest unless available net revenues are insufficient to pay principal and interest due thereon, or unless the refunding is authorized simultaneously with the issuance of additional bonds for reconstruction, improvements or additions, which, according to the terms of the outstanding bonds, must be junior and subordinate to the lien of such outstanding bonds upon the net revenues.

History: En. Sec. 2, Ch. 149, L. 1943;
amd. Sec. 1, Ch. 146, L. 1951; amd. Sec. 2,
Ch. 98, L. 1955.

11-2271. (5277.3) Loans from revolving fund for paying improvement district warrants—authorization by electors. (1) Whenever any special improvement district bond or warrant, or any interest thereon, shall be, at the time of the passage of this act, or shall thereafter become due and payable, and there shall then be either no money or not sufficient money in the appropriate district fund with which to pay the same, an amount sufficient to make up the deficiency may, by order of the council, be loaned by the revolving fund to such district fund, and thereupon such bond or warrant or such interest thereon, or in case of such bonds or warrants due at the time of the passage of this act, such part of the amount due on such bond or warrant, whether it be for principal or for interest or for both as the council may in its discretion elect or determine, shall be paid from the money so loaned or from the money so loaned when added to such insufficient amount, as the case may require; provided, however, that the above provisions of sections 11-2269, 11-2270 and 11-2271 of this code shall not apply to any district or districts heretofore created, unless and until, at an election, either the regular annual municipal election or a special election called by the council, a majority of the electors whose names appear as the owners of property in the city or town on the last completed tax roll of the county in which the city or town is situated, shall authorize the city or town council to proceed thereunder, such election to be called and conducted in the manner and under such regulations as the council may provide. At such election no person other than such qualified elector and taxpayer shall vote on said question, and a majority of those voting thereat shall be sufficient to determine, and shall determine, the question whether the council be authorized or not to proceed under sections 11-2269, 11-2270 and 11-2271 of this code.

(2) In connection with any public offering of special improvement district bonds or warrants, the city or town council may undertake and agree to issue orders annually authorizing loans or advances from the revolving fund to the district fund involved in amounts sufficient to make good any deficiency in the bond and interest accounts thereof to the extent that funds are available, and may further undertake and agree to provide funds for such revolving fund pursuant to the provisions of section 11-2270 by annually making such tax levy (or, in lieu thereof, such loan from the general fund) as the city or town council may so agree to and undertake, subject to the maximum limitations imposed by said section 11-2270, which said undertakings and agreements shall be binding upon said city or town so long as any of said special improvement district bonds or warrants so offered, or any interest thereon, remain unpaid.

History: En. Sec. 3, Ch. 24, L. 1929;
amd. Sec. 1, Ch. 179, L. 1945.

11-2275. Creation and maintenance of fund. A supplemental revolving fund may be created by ordinance subject to the approval of a majority of the qualified electors voting upon the question at a general or special election. As used in this act "qualified electors" shall mean registered electors whose names appear upon the last preceding assessment roll for state and county taxes as taxpayers upon property within the municipality. The supplemental revolving fund shall be created and maintained solely from

the net revenues of parking meters and the ordinance may pledge to said fund all or any part of the said net revenues of parking meters which may be then owned or leased or rented or thereafter acquired by the city or town. Said ordinance shall contain such provisions in respect to the purchase, control, operation, repair and maintenance of parking meters, including rates to be charged, and the application of the net revenues therefrom and the management and use of the supplemental revolving fund as the council shall deem necessary.

History: En. Sec. 2, Ch. 260, L. 1947.

11-2276. Issuance of bonds—submission to electors. At any time after the award of the contract for any of the improvements described in section 11-2274 and prior to the issuance of bonds or warrants therefor under the provisions of section 11-2231 the council may by resolution determine that such improvement is of a character that bonds may be issued hereunder in lieu of bonds under said section 11-2231, and may submit to the qualified electors of the city or town the question whether such bonds shall be issued. The proposal to issue bonds may be submitted at the same election as the proposal to create the supplemental revolving fund and must be approved by a majority of the qualified electors voting on the question.

History: En. Sec. 3, Ch. 260, L. 1947.

CHAPTER 23

MUNICIPAL BONDS AND INDEBTEDNESS

- Section 11-2301. Creation of indebtedness—submission to taxpayers.
 11-2306. Petition for election—form—proof.
 11-2307. Consideration of petition—calling election.
 11-2308. Notice of election—election hours—election officers.
 11-2309. Form of ballots and conduct of election.

 11-2311. Percentage of voters required to authorize the issuing of bonds.
 11-2312. Canvass of election returns—resolution for bond issue.

11-2301. (5278.1) Creation of indebtedness—submission to taxpayers. Whenever the council or commission of any city or town having a corporate existence in this state, or hereafter organize under any of the laws thereof, shall deem it necessary to issue bonds for any purpose whatever, under its powers as set forth in any statute or statutes of this state, or amendments thereto, the question of issuing such bonds shall first be submitted to the electors of such city or town who are qualified to vote on such question, in the manner hereinafter set forth; provided, however, that it shall not be necessary to submit to such electors the question of issuing refunding bonds to refund bonds theretofore issued and then outstanding: provided further that no refunding bonds shall be issued unless such refunding bonds shall bear interest at a rate of at least one-half of one per cent ($\frac{1}{2}$ of 1%) less than the interest rate of the outstanding bonds to be refunded. In order to issue bonds to refund bonds theretofore issued and outstanding it shall only be necessary for the council, at a regular or duly called special meeting, to pass and adopt a resolution setting forth the facts with regard to the indebtedness to be refunded, showing the reason for issuing such refunding bonds, and fixing and determining the details thereof, giving notice of sale thereof in the same manner that notice is required to be given of sale of

bonds authorized at an election and then following the procedure in this act for the sale and issuance of such bonds.

History: En. Sec. 1, Ch. 160, L. 1931; 1937; amd. Sec. 1, Ch. 15, L. 1943; amd. amd. Sec. 1, Ch. 100, L. 1933; amd. Sec. 1, Sec. 1, Ch. 62, L. 1945. Oh. 12, L. 1937; amd. Sec. 1, Ch. 108, L.

11-2306. (5278.6) Petition for election—form—proof. No bonds shall be issued by a city or town for any purpose, except to fund or refund warrants or bonds issued prior to and outstanding on July first, 1942, as authorized in section 11-2301, unless authorized at a duly called special or general election at which the question of issuing such bonds was submitted to the qualified electors of the city or town, and approved, as hereinafter provided, and no such election shall be called unless there has been presented to the city or town council a petition, asking that such election be held and question submitted, signed by not less than twenty per centum (20%) of the qualified electors of the city or town who are taxpayers upon property within such city or town and whose names appear on the last completed assessment roll for state and county taxes, as taxpayers within such city or town. Every petition for the calling of an election to vote upon the question of issuing bonds shall plainly and clearly state the purpose or purposes for which it is proposed to issue such bonds, and shall contain an estimate of the amount necessary to be issued for such purpose or purposes. There may be a separate petition for each purpose, or two (2) or more purposes may be combined in one (1) petition, if each purpose with an estimate of the amount of bonds to be issued therefor is separately stated in such petition. Such petition may consist of one (1) sheet, or of several sheets identical in form and fastened together, after being circulated and signed, so as to form a single complete petition before being delivered to the city or town clerk, as hereinafter provided. The petition shall give the street and house number, if any, and the voting precinct of each person signing the same.

Only persons who are qualified to sign such petitions shall be qualified to circulate the same, and there shall be attached to the completed petition the affidavit of some person who circulated, or assisted in circulating, such petition, that he believes the signatures thereon are genuine and that the signers knew the contents thereof before signing the same. The completed petition shall be filed with the city or town clerk who shall, within fifteen (15) days thereafter, carefully examine the same and the county records showing the qualifications of the petitioners, and attach thereto a certificate, under his official signature, which shall set forth:

(1) The total number of persons who are registered electors and whose names appear upon the last completed assessment roll for state and county taxes, as taxpayers within such city or town.

(2) Which, and how many of the persons whose names are subscribed to such petition, are possessed of all of the qualifications required of signers to such petition.

(3) Whether such qualified signers constitute more or less than twenty per centum (20%) of the registered electors whose names appear upon the last completed assessment roll for state and county taxes, as taxpayers within such city or town.

Each succeeding council shall, as soon as practicable after organizing, appoint one commissioner for six years, who shall take the place of a commissioner whose term of office expires. The chairman of the commission for each biennial period shall be the member whose term first expires. Such commission shall, as soon as possible after such examination, certify to the council double the number of persons necessary to fill vacancies, who, according to the records, have the highest standing for the position they seek to fill as a result of such examination, and all vacancies which occur that come under the civil service, prior to the date of the next regular examination, shall be filled from said list so certified; provided, however, that should the list for any cause be reduced to less than three for any division, then the council or the head of the proper department may temporarily fill a vacancy, but not to exceed thirty days.

(5) All persons subject to such civil service examination shall be subject to removal from office or employment by the council for misconduct or failure to perform their duties under such rules and regulations as it may adopt, and the chief of police, chief of the fire department, or any superintendent or foreman in charge of municipal work, may peremptorily suspend or discharge any subordinate then under his direction for neglect of duty or disobedience of his orders, but shall, within twenty-four hours thereafter, report such suspension or discharge, and the reason therefor, to the superintendent of his department, who shall thereupon affirm or revoke such discharge or suspension, according to the facts. (6) The council shall have the power to enforce the attendance of witnesses, the production of books and papers, and power to administer oaths in the same manner and with like effect, and under the same penalties, as in the case of magistrates exercising criminal or civil jurisdiction under the statutes of Montana.

(11) It shall be unlawful for any candidate for office in any such city, directly or indirectly, to give or promise any person or persons any office, position, employment, benefit, or anything of value for the purpose of influencing or obtaining the political support, aid, or vote of any person or persons.

11-3132. (5394) Recall of elective officers. (1) The holder of any elective office may be removed at any time by the electors qualified to vote for a successor of such incumbent. The procedure to effect the removal of an incumbent of an elective office shall be as follows: A petition signed by twenty-five per cent of all qualified electors registered for the last preceding general municipal election, demanding an election of a successor of the person sought to be removed, shall be filed with the city clerk, which petition shall contain a general statement of the grounds for which the removal is sought. The signatures to the petition need not be appended to one paper, but each signer shall add to his signature his place of residence, giving the street and number. One of the signers of such paper shall make oath before an officer competent to administer oaths that the statements therein are true as he believes, and that each signature to the paper appended is the genuine signature of the person whose name it purports to be.

(2) Within ten days from the date of filing such petition the city clerk shall examine, and from the voters' register ascertain whether or not said petition is signed by the requisite number of qualified electors, and, if necessary, the council shall allow him extra help for that purpose; and he

shall attach to said petition his certificate, showing the result of said examination. If, by the clerk's certificate, the petition is shown to be insufficient, it may be amended within ten days from the date of said certificate. The clerk shall, within ten days after such amendment, make like examination of the amended petition, and if his certificate shall show the same to be insufficient, it shall be returned to the person filing the same; without prejudice, however, to the filing of a new petition to the same effect. If the petition shall be deemed to be sufficient, the clerk shall submit the same to the council without delay. If the petition shall be found to be sufficient, the council shall order and fix a date for holding said election, not less than seventy days nor more than eighty days from the date of the clerk's certificate to the council that a sufficient petition is filed.

(3) The council shall make, or cause to be made, publication of notice and all arrangements for holding such election, and the same shall be conducted, returned, and the result thereof declared, in all respects as are other elections.

(4) As far as applicable, except as otherwise herein provided, nominations hereunder shall be made without the intervention of a primary election by filing with the clerk, at least ten days prior to said special election, a statement of candidacy accompanied by a petition signed by electors entitled to a vote at said special election, equal in number to at least ten per cent of the entire number of persons registered to vote at the last preceding general municipal election, which said statement of candidacy and petition shall be substantially in the form set out in section 11-3112 of this code, so far as the same is applicable, substituting the word "special" for the word "primary" in such statement and petition, and stating therein that such person is a candidate for election instead of nomination.

(5) The ballot for such special election shall be in substantially the following form:

Official Ballot.

City Clerk.

(6) The successor of any officer so removed shall hold office during the unexpired term of his predecessor. Any person sought to be removed may be a candidate to succeed himself, and unless he requests otherwise in writing, the clerk shall place his name on the official ballot without nomination. In any such removal election, the candidate receiving the highest number of votes shall be declared elected. At such election, if some other person than the incumbent receives the highest number of votes, the incumbent shall thereupon be deemed removed from the office upon the qualification of his successor. In case the party who receives the highest number of votes should fail to qualify within ten days after receiving notification of the election, the office shall be deemed vacant. If the in-

cumbent receive the highest number of votes, he shall continue in office. The said method of removal shall be cumulative, and additional to the methods heretofore provided by law.

11-3133. (5395) Ordinance — how submitted — petition and election.

Any proposed ordinance may be submitted to the council by petition signed by electors of the city equal in number to the percentage hereinafter required. The signature, verification, inspection, certification, amendment, and submission of such petition shall be the same as provided for petition under the preceding section. If the petition accompanying the proposed ordinance be signed by electors equal in number to twenty-five per centum of the entire number of persons registered to vote at the last preceding general election, and contains a request that the said ordinance be submitted to a vote of the people, if not passed by the council, such council shall either:

(a) Pass each ordinance without alteration within twenty days after the attachment of the clerk's certificate to the accompanying petition; or,

(b) Forthwith, after the clerk shall attach to the petition accompanying such ordinance his certificate of sufficiency, the council shall call a special election, unless a general municipal election is fixed by law within thirty days thereafter, and at such special or general municipal election, if one is so fixed, such ordinance shall be submitted to the vote of the electors of such city.

But if the petition is signed by not less than ten nor more than twenty-five per centum of the electors, as above defined, then the council shall, within twenty days, pass said ordinance without change, or submit the same at the next general city election occurring after the clerk's certificate of sufficiency is attached to said petition.

The ballots used when voting upon said ordinance shall contain these words: "For the ordinance" (stating the nature of the proposed ordinance), and "Against the ordinance" (stating the nature of the proposed ordinance). If a majority of the qualified electors voting on the proposed ordinance shall vote in favor thereof, such ordinance shall thereupon become a valid and binding ordinance of the city; and any ordinance proposed by the petition of which shall be adopted by a vote of the people cannot be repealed or amended except by a vote of the people.

Any number of proposed ordinances may be voted upon at the same election, in accordance with the provisions of this section; but there shall not be more than one special election in any period of six months for such purposes.

The council may submit a proposition for the repeal of any such ordinance, or for amendments thereto, to be voted upon at any succeeding general city election; and should such proposition so submitted receive a majority of the votes cast thereon at such election, such ordinance shall thereby be repealed or amended accordingly. Whenever any ordinance or proposition is required by this act to be submitted to the voters of the city at any election, the city clerk shall cause such ordinance or proposition to be published once in each of the daily newspapers published in such city,

and if there be none, then one time in each weekly newspaper published therein; such publication to be not more than twenty nor less than five days before the submission of such proposition or ordinance to be voted on.

11-3134. (5396) Taking effect and suspension of ordinances. No ordinance passed by the council, except when otherwise required by the general laws of this state or the provisions of this act, except an ordinance for the immediate preservation of the public peace, health, or safety, which contains a statement of its urgency, and is passed by a two-thirds vote of the council, shall go into effect before ten days from the time of its final passage; and if, during said ten days, a petition signed by electors of the city equal in number to at least twenty-five per centum of the entire number of persons registered to vote at the last preceding general municipal election, protesting against the passage of such ordinance, be presented to the council, the same shall thereupon be suspended from going into operation, and it shall be the duty of the council to reconsider such ordinance; and if the same is not entirely repealed, the council shall submit the ordinance, as is provided by subdivision (b) of the preceding section, to the vote of the electors of the city, either at a general election or at a special municipal election to be called for that purpose; and such ordinance shall not go into effect or become operative unless a majority of the qualified electors voting on the same shall vote in favor thereof. Said petition shall be in all respects in accordance with the provisions of the preceding section, except as to the percentage of signers, and be examined and certified to by the clerk in all respects as therein provided.

History: En. Sec. 31, Ch. 57, L. 1911;
re-en. Sec. 5396, R. C. M. 1921.

11-3135. (5397) Abandonment of commission form. Any city which shall have operated for more than one year under the provisions of this act may abandon such organization hereunder and accept the provisions of the general law of the state then applicable to cities of its population.

Upon the petition of not less than ten per cent (10%) of the electors of such city registered for the last preceding general election, the following proposition shall be placed upon the ballot at the next regular city election, provided the petition be filed at least sixty (60) days prior to the date of such election:

“Shall the city of (name of city) abandon its organization under chapter 57 of the acts of the twelfth legislative assembly and become a city under the general law governing cities of like population; or if formerly organized under special charter shall resume said special charter?”

If the majority of the votes cast at such election be in favor of such proposition, the officers elected at the next succeeding biennial election shall be those then prescribed by the general law of the state for cities of like population, and upon the qualification of such officers such city shall become a city under such general law of the state, but such change shall not in any manner or degree affect the property, rights, or liabilities of any nature of such city, but shall merely extend to each change in its form of government.

The sufficiency of such petition shall be determined, the election ordered and conducted, and the results declared, generally as provided for by section 11-3132 of this code, insofar as the provisions thereof are applicable; or if now organized under special charter, may resume said special charter. Whenever the form of government of any city is determined by a vote of the people under the provision of this section, the same question shall not be submitted again for a period of two (2) years, and any ordinance adopted by a vote of the people shall not be repealed or the same question submitted for a period of two (2) years.

Each petition shall contain, in addition to the names of the petitioners, the street and house number in which the petitioner resides, his length of residence in the city. It shall also be accompanied by the affidavit of one or more legal voters of the city, stating that the signers thereof were, at the time of signing, legal voters of said city, and the number of signers at the time the affidavit was made.

11-3137. (5399) Effect of act upon existing laws. All acts and parts of acts, and all laws, not inconsistent with any of the provisions of this act, now in force or hereafter enacted relative to municipal corporations, are hereby continued in full force and effect, and shall be considered and construed as not repealed by this act, except insofar as the same may be in conflict or inconsistent with the provisions of this act.

Whenever the inhabitants of any county, city or town, or a combination of county and one or more cities or towns within such county desire to combine for the purpose of organizing a metropolitan sanitary district to serve such county, city or town, or both, such inhabitants may file a petition in the district court of the county wherein such district is to be organized, signed by five (5%) per cent of the registered electors of each such county, city or town, whose names appear upon the last preceding assessment roll of such county for state and county purposes and upon the last preceding assessment roll of such city or town, upon real property lying or being within the boundaries of such county, city or town. Said petition shall be addressed to the said district court and shall set forth:

1. The proposed name of said sanitary district.
2. The necessity for the proposed district.
3. A general description of the territory or lands to be included within said district, giving the boundaries thereof.

4. A prayer for the organization of the district comprising and embracing the lands and territory described, and for a hearing on said petition according to the provisions of this act.

The petition shall be accompanied by a map or plat of the proposed district, but mere error or omission in the description of any lands or boundaries, or in the map accompanying the petition shall not render invalid any proceedings under this act, or deprive the district court of jurisdiction. The petition shall also be accompanied by the certificate of the county clerk, showing that said petition contains the names of the required number of qualified electors as herein provided.

History: En. Sec. 1, Ch. 292, L. 1947.

11-3602. Order fixing time of hearing—notice of hearing—contents thereof. On such petition being filed, the district court or judge thereof shall make an order fixing the time and place of hearing on petition and directing that notice thereof be given. Thereupon the clerk of said court shall cause to be published at least once a week for two successive calendar weeks in some newspaper published in the county, such notice, which notice shall state the time and place, by the said district court fixed, when and where the hearing on said petition will be had, together with the description of the lands or territory of the proposed district and the purpose as stated in the prayer of said petition, and directing all persons interested to appear and be heard for or against the organization of said sanitary district. If there be no newspaper published in such county, said notice may be published in an adjoining county. The first publication of said notice shall be not less than thirty (30) days prior to the time mentioned in said notice for said hearing.

The court, upon application of the petitioners, or any person or persons interested, may permit the petition to be amended, and may order further or additional notice to be given. Upon such hearing all persons interested, whose property or rights may be damaged or benefited by the organization of the district, or the property, works or improvements therein to be acquired or constructed as hereinafter set forth, may appear and contest the necessity or utility of the proposed district, or any part thereof, and the contestants and petitioners may offer any competent evidence in regard thereto.

It shall be the duty of the court to hear and determine whether the requirements of sections 11-3601 and 11-3602 as to sufficiency of the petition and notice and requisite number of names on said petition have been complied with. The court may make such changes in the proposed district as may be deemed advisable, or as fact, right and justice may require.

If on final hearing, it is found by the court that the petition does not substantially comply with the aforesaid requirements of this act, or that the facts therein are not sustained by the evidence, or that said proposed

district is not practical or feasible then the court shall dismiss the petition, and shall make and enter an order to that effect; but if it is found that said petition substantially complies with said requirements, and that the facts therein stated are sustained by the evidence and that there exists a necessity for said district, and that the same is feasible and practical and for the benefit, health and welfare of the inhabitants residing within the proposed district, then the court shall make and enter an order:

- (a) Setting forth said findings and allowing said petition;
- (b) Giving accurate description and boundaries of said proposed district;
- (c) Directing that the question of establishing said district be submitted to the qualified electors of the county, city or town as hereinafter provided, at the next general election held in the county at which county officers are to be elected, if said proposed district embraces only property outside the boundaries of any incorporated city or town, or property within any incorporated city or town and said county; and if said proposed district embraces only property within an incorporated city or town, then said question shall be ordered submitted at the next general election in such city or town at which city or town officers are to be elected.

OFF-STREET PARKING FACILITIES

Section 11-3703. Creation of parking commissions—revenue bonds.

11-3703. Creation of parking commissions—revenue bonds. A city may create, as provided for in this section, a public body corporate and politic to be known as the “parking commission” of the city. The commission of any city shall not transact any business or exercise any powers under this act unless and until the legislative body of the city shall by resolution declare at any time hereafter that there is need for a parking commission to function in such city. The determination as to whether there is need for a commission to function may be made by the legislative body on its own motion or upon the filing of a petition signed by one hundred (100) residents of the city, asserting that there is need for a commission to function in such city and requesting that the legislative body so declare.

In any suit, action or proceeding by or against or in any manner relating to a parking commission, the commission shall be conclusively deemed to have become established and authorized to transact business and exercise its powers upon proof of the adoption of a resolution by the legislative body declaring the need for the commission to function. A city shall not transact any business or exercise any powers of this act unless and until the legislative body of the city shall by resolution declare that there is need for such city to exercise the powers of a parking commission as provided in this act.

Either or both such resolutions may be adopted by the legislative body of a city. If both such resolutions are adopted they shall clearly specify areas within the city less than the whole thereof, within which, or projects over which, the commission and the city, respectively, are to have jurisdiction and control. The division of such jurisdiction and control shall be as so specified, but may be changed from time to time by action of both the legislative body and the commission, to such extent as may be consistent with obligations to bondholders assumed under this act.

The power to issue revenue bonds as provided in this act shall not be operative in any city until the legislative body, either at a general or a special election, shall submit to the electors, whose qualifications shall be the same as those required for voting at municipal elections in the city for elective officers thereof, the question as to whether the legislative body, or the commission, or both, shall be authorized to adopt the revenue bond method of financing projects provided for herein. Such question may be placed before the electors and notice thereof given in the same manner as provided by law for referring ordinances of the city to the electors. The provisions relating to the qualifications of electors and manner of submis-

sion of the question to the electors for the purposes of this act shall govern and be controlling, any provision of law to the contrary notwithstanding.

- 16-520. Repealing and saving clause.

16-501. (4390) Creation of new counties—debts and assets prorated—minimum area and valuation. New counties may from time to time be formed and created in this state from portions of one or more counties, which shall have been created and in existence for a period of more than two years, in the manner set forth and provided in this act; provided, however, that no new county shall be established which shall reduce any county to an assessed valuation of less than twelve million dollars (\$12,000,000.00), inclusive of all assessed valuation as shown by the last preceding assessment; nor shall any new county be established which shall reduce the area of any existing county from which territory is taken to form such new county, to less than twelve hundred square miles of surveyed land, exclusive of all forest reserve and Indian reservations within old counties nor shall any new county be formed which contains an assessed valuation of property less than ten million dollars (\$10,000,000.00), inclusive of all assessed valuation as shown by the last preceding assessment, of the county or counties from which such new county is to be established, nor shall any new county be formed which contains less than one thousand square miles of surveyed land exclusive of all forest reserve land or Indian reservations, not open for settlement, nor shall any line thereof pass within fifteen miles of the court house situate at the county seat of the county sought to be divided; provided, that such county line may be run within a distance of ten miles of a county seat in cases where the natural contour of the county, by reason of mountain ranges or other topographical conditions, is such as to make it difficult to reach the county seat, and in such cases a petition, signed by at least fifty-eight per centum (58%), of the voters in the proposed new county, shall be presented to the judge of the district court in which the county affected is located, asking for the appointment of a commission of five (5) disinterested persons, who shall determine if the topographical conditions are such as to warrant the fixing of the county division lines closer than at fifteen miles from the county seat, as such boundaries are legally fixed and determined at the date of the filing of the petition or petitions referred to in section 16-504 of this code.

Every county which shall be enlarged or created from the territory taken from any other county or counties shall be liable for a prorata pro-

portion of the existing debts and liabilities of the county or counties from which such territory shall be taken, and shall be entitled to a prorata proportion of the assets of the county or counties from which such territory is taken, to be determined as provided by section 16-502, 16-503 and 16-511.

History: The first new county act was Ch. 112, L. 1911. The first four sections of this act were amended and the rest re-enacted by Ch. 133, L. 1913; Sec. 7 of the act was also amended by Ch. 135, L. 1913. All these acts were repealed and a complete new county law enacted by Ch. 139, L. 1915, which was repealed by Ch. 226, L. 1919. This section en. Sec. 1, Ch. 226, L. 1919; re-en. Sec. 4390, R. C. M. 1921; amd. Sec. 1, Ch. 106, L. 1929.

16-502. (4391) Basis of taxation upon creation of new county—terms used in law defined. For the purposes of this act the assessed valuation of all property, whether included within the boundaries of a proposed new county, or remaining within the boundaries of any existing county or counties from which territory is taken, shall be fixed and determined on the same basis as is used for the imposition of taxes in the state of Montana, to-wit: By taking that percentage of the true and full value of all taxable property in any county specified by section 84-302.

Whenever in this act the term “assessed valuation” or “valuation based on the last assessment roll” is used, said terms shall be construed as meaning taxable valuation determined as herein provided, not the full and true valuation of property.

16-503. (4392) Cities and towns eligible for county seat. No city, town, or village shall become the temporary or permanent county seat of any county organization under the provisions of sections 16-501 to 16-520 of this code, or created by an act of the legislative assembly, unless such city or town shall have been incorporated in the manner provided by law, or unless such village shall have been regularly platted and a plat thereof filed in the office of the county clerk and recorder, and there be fifty qualified electors residing within the boundaries of such platted village, and the temporary county seat selected upon the organization of such county shall remain as such county seat until the permanent county seat shall be established as provided by law.

History: En. Sec. 1, Ch. 16, Ex. L. 1919; re-en. Sec. 4392, R. C. M. 1921.

16-504. (4393) Petition for creation of new county—attached affidavits—notice and hearing. (1) Whenever it is desired to divide any county or counties and form a new county out of a portion of the territory of such then existing county or counties, a petition shall be presented to the board of county commissioners of the county from which the new county is to be formed, in case said proposed new county is to be formed from but one county, or to the board of county commissioners of the county from which the largest area of territory is proposed to be taken for the formation of such new county, in case said new county is to be formed from portions of two or more existing counties; and such board of county commissioners shall be empowered and have jurisdiction to do and perform all acts provided for to be done or performed in this act, for each of the several coun-

ties from which any proposed territory is to be taken, and shall direct that a certified copy of all orders and proceedings had before such board of county commissioners shall be certified by the county clerk to the board of county commissioners of each of the several counties from which any territory is taken by the proposed new county; and all officers of any such county shall comply with the orders of the board of county commissioners, in the same manner as if said order had been duly made by the board of county commissioners of each respective county from which territory is proposed to be taken. Such petition shall be signed by at least fifty-eight per cent of the qualified electors of the proposed new county, whose names appear on the official registration books and who are shown thereon to have voted at the last general election preceding the presentation of said petition to the board of county commissioners as herein provided; provided, that in cases where the proposed new county is to be formed from portions of two or more counties, separate petition shall be presented from the territory taken from each county; and each of said separate petitions shall be signed by at least fifty-eight per cent of the qualified electors of each of said proposed portions. Such signatures need not all be appended to one paper, but may be signed to several petitions which must be similar in form, and when so signed the several petitions may be fastened together and shall be treated and presented as one petition.

(2) Such petition or petitions shall contain:

1. A particular description of the boundaries of the proposed new county.

2. A statement that no line thereof passes within fifteen miles of the court house situated at the county seat of any county proposed to be divided, except as hereinafter in this act provided.

3. A statement of the assessed valuation of such proposed county as shown by the last preceding assessment, inclusive of all assessed valuation.

4. A statement of the surveyed area in square miles which will remain in the county or counties from which territory is taken to form such new county, after such county is formed, and a statement of the surveyed area in square miles which will be in the new county after formed.

5. The name of the proposed new county.

6. A prayer that such proposed new county be organized into a new county under the provisions of this act.

There shall be attached and filed with said petition or petitions an affidavit of five qualified electors and taxpayers residing within each county sought to be divided, to the effect that they have read said petition and examined the signatures affixed thereto, and they believe that the statements therein are true, and that it is signed by at least fifty-eight per cent of the qualified electors as herein provided, of the proposed new county, or of the proposed portion thereof, taken from each existing county, where the proposed new county is to be formed from portions of two or more existing counties; that the signatures affixed thereto are genuine; and that each of such persons so signing was a qualified elector of such county therein sought to be divided, at the date of such signing. Such petition or petitions so verified, and the verification thereof, shall be accepted in all proceedings permitted or provided for in this act, as prima facie evidence of the truth of

the matters and facts therein set forth. Upon the filing of such petition or petitions and affidavits with the clerk of the said board of county commissioners, said clerk shall forthwith fix a date to hear the proof of the said petitions and of any opponents thereto, which date must be not later than thirty days after the filing of such petition with the clerk of said board. The county clerk shall also, at the same time, designate a newspaper of general circulation published in the old counties, but not within the proposed new county, and also a newspaper of general circulation published within the boundaries of the proposed new county, if there be such, in which the said county clerk shall order and cause to be published, at least once a week for two weeks next preceding the date fixed for such hearing, a notice in substantially the following form:

Said petitioners shall, on or before the date fixed for said hearing, file with the said board of county commissioners a bond to be approved by said board, in an amount of five thousand dollars, payable to the county in which said petition is filed, conditioned that the obligors named in said bond will pay to said county all expenses incurred in the election provided for in this act, not exceeding the amount specified in said bond, in the event that at the election herein provided for more than forty-two per cent of the votes cast at said election are "for the new county of..... (naming the proposed new county)," "No."

(3) At the time so fixed for said hearing, the board of county commissioners shall proceed to hear the petitioners and any opponents and protestants upon the petition or protests filed on or before the time fixed for the hearing. No petition or protest or petition for the exclusion of territory shall be considered unless the same is filed at least one day before the time fixed for the hearing, and such petition for the exclusion of territory shall contain the names of not less than fifty per cent of the qualified electors who are resident property taxpayers of any territory to be excluded. All such territory being excluded must be in one block, and contain an area of not less than thirty-six square miles, and be totally within one county, and contiguous thereto, and the board of county commissioners may adjourn such hearing from time to time, but not for more than ten days after the time fixed for the hearing, and shall receive the proof to establish or controvert the facts set forth in said petition. No withdrawals of signatures to the original petition for the creation of a proposed county shall be filed

or considered which have not been filed with the county clerk on or before the date fixed for the hearing. No withdrawals of any signature from the petition for the exclusion of territory shall be received or considered which are not filed within five days after the filing of the petition for such exclusion of territory.

(4) The board of county commissioners, on the final hearing of such petition or petitions, shall, by a resolution entered on its minutes, determine:

1. The boundaries of the proposed new county, and the boundaries so determined by said board of county commissioners shall be the boundaries of such proposed new county, if it be created as herein provided.

2. Whether the said petition contains the genuine signatures of at least fifty-eight per cent of the qualified electors of the proposed new county as herein required, or in cases where separate petitions are presented from portions of two or more existing counties as herein required, whether each petition is signed by at least fifty-eight per cent of the qualified electors of that portion of each of such existing counties which it is proposed to take into the proposed new county.

3. Whether any line of the proposed new county passes within fifteen miles of the court-house situate at the county seat of any county proposed to be divided, except as hereinbefore provided.

4. Whether the proposed new county will contain property, according to the last preceding assessment, which will equal in amount at least four million dollars, inclusive of all assessed valuation.

5. Whether the area of any existing county from which territory is taken to form such new county will be reduced to less than twelve hundred square miles of surveyed land, by taking the territory proposed to be taken therefrom to form such new county.

6. Whether the area of the proposed new county will contain at least one thousand square miles of surveyed land to form such new county.

7. The class to which said proposed new county after its creation will belong, and the name of said proposed new county, as stated in such petition.

8. Whether the area embraced within the proposed new county will be reasonably compact.

(5) On final hearing the board of commissioners, upon petition of not less than fifty per cent of the qualified electors (as shown by the official registration books on the day of the filing of any such petition) of any territory lying within said proposed new county contiguous to the boundary line of the said proposed new county, and of the old county from which such territory is proposed to be taken, and lying entirely within a single old county and described in said petition, asking that said territory be not included within the proposed new county, must make such changes in the proposed boundaries as will exclude such territory from such new county, and shall establish and define such boundaries. On final hearing the board of commissioners, upon petition of not less than fifty per cent of the qualified electors who are resident property taxpayers of any territory lying outside said proposed new county, and contiguous to the boundary line of said proposed new county, and of the old county or counties from which such

territory is proposed to be included, asking that said territory be included within the proposed new county, must make such changes in the proposed boundaries as will include such territory in such new county, and shall establish and define such boundaries; provided, however, that the segregation of such territory from any old county or counties shall not leave such county or counties with less than twelve million dollars of assessed valuation, based upon the last assessment-roll; provided, that no change or changes so made shall result in reducing the valuation of the proposed new county to less than an assessed valuation of ten million dollars, inclusive of all assessed valuation; and provided, further, that no change shall be made which shall leave the territory so excluded separate and apart from and without the county of which it was formerly a part. Petitions for exclusion shall be disposed of in the order in point of time in which they are filed with the clerk of the board of county commissioners, and on final determination of boundaries no changes in the boundaries originally proposed shall be made except as prayed for in said petition or petitions, or to correct clerical errors or uncertainties.

History: En. Sec. 2, Ch. 226, L. 1919;
re-en. Sec. 4393, R. C. M. 1921.

NOTE.—Wording of this section changed to conform to amendment of section 16-501 by Sec. 1, Ch. 106, Laws 1929.

16-505. (4394) Duty of commissioners when findings justify new county—division into township, road and school districts—change of boundaries of election precincts—election—temporary county seat. (1) If the said board of county commissioners determine that the formation of said proposed new county will not reduce any county from which any territory is taken to an assessed valuation of less than twelve million dollars, inclusive of the assessed valuation, nor the area thereof to less than twelve hundred square miles of surveyed land, and that the proposed new county contains property of an assessed valuation of at least ten million dollars, inclusive of all assessed valuation, and that the proposed new county has an area of at least one thousand square miles of land, and that no line of said proposed new county passes within fifteen miles of the court house situate at the county seat of any county proposed to be divided, except as hereinbefore provided, and that said petition contains the genuine signatures of at least fifty-eight per cent of the qualified electors of the proposed new county, or in cases where separate petitions are presented from portions of two or more existing counties (as herein required), that each of said petitions contain the genuine signatures of at least fifty-eight per cent of the qualified electors of that portion of the proposed new county from which it is taken, then the said board of county commissioners shall divide the proposed new county into a convenient number of township, road, and school districts, and define their boundaries and designate the names of such districts.

(2) Said board of county commissioners shall also, if necessary for the purpose of the election hereinafter provided for, change the boundaries of the election precincts in said old county or counties to make the same conform to the boundaries of the proposed new county; provided, that the boundary lines of no such precinct shall extend beyond the boundary lines of the then existing county in which it is located, and from which the terri-

tory is proposed to be taken; and said board shall appoint election officers to act at said election and to be paid by said board.

(3) Within two weeks after its determination of the truth of the allegations of said petition as aforesaid, the said board of county commissioners shall order and give proclamation and notice of an election to be held on a specified day in the territory which is proposed to be taken for the new county, not less than ninety days nor more than one hundred and twenty days thereafter, for the purpose of determining whether such territory shall be established and organized into a new county; and for the election of officers and location of a county seat therefor, in case the vote at such election shall be in favor of the establishment and organization of such new county. All qualified electors residing within the proposed new county who are qualified electors of the county or counties from which territory is taken to form such proposed new county, and who have resided within the limits of the proposed county for a period of more than six months next preceding the day of election, and who are registered under the provisions of the registration laws of the state, shall be entitled to vote at said election. Registration and transfers of registration shall be made and shall close in the manner and at a time provided by law for registration and transfers of registration for a general election in the state of Montana.

(4) Such proclamation and notice of election shall be published at least once a week for three weeks before the holding of such election, in some newspaper of general circulation published in the territory which is proposed to be taken for the new county, and a copy thereof shall be mailed immediately by the county clerk of the county in which the petition is filed to the county clerk of each county from which territory is taken for the proposed new county. Such proclamation and notice shall require the voters to cast ballots which shall contain the words, "For the new county of..... (giving the name of the proposed new county)" "Yes," and "For the new county of..... (giving the name of the proposed new county)," "No," and each voter desiring to vote for the establishment and organization of said new county shall mark a cross (X) opposite the words, "For the new county of.....," "Yes," in the manner now required by law in other elections, and each voter desiring to vote against the establishment and organization of said new county shall mark a cross (X) opposite the words, "For the new county of.....," "No," in the manner now required by law in other elections; and shall also contain the names of persons to be voted for to fill the various elective offices designated in said proclamation for counties of the class to which said proposed county will belong, as determined by the board of county commissioners as herein otherwise provided.

(5) There shall also be printed upon said ballot the words, "For the county seat," and the names of all cities or towns which may have filed with the county clerk a petition signed by at least twenty-five qualified electors, nominating any city or town within the proposed new county for the county seat, and the voter shall designate his choice for county seat by marking a cross (X) opposite the name of the city or town for which he desires to cast his ballot. At the special election to be held, as provided in this act, the question of the election of the county seat is hereby provided to be sub-

mitted to the qualified electors of the proposed new county, and the majority of all the votes cast therefor shall determine the election thereon. In case any city or town fails to receive a majority of all the votes cast, then the city or town receiving the highest number of all votes cast shall be designated as the temporary county seat, and in case any city or town is not the choice of the election for the county seat by a majority of all the votes cast, the question of choice between the two cities or towns for which the highest number of votes shall have been cast shall be submitted in like manner to the qualified electors at the next general election thereafter. When the county seat shall have been selected as herein provided, it shall not thereafter be changed except in the manner provided by law.

(6) The proclamation calling the election and the notice thereof provided for in this act shall be made and given exclusively by the board of county commissioners with which is filed the said petition for the formation and establishment of such new county, and such board shall cause the clerk of said county to furnish to the officers of each precinct in such proposed new county all ballots, poll list, tally lists, registers for voters' signatures, ballot-boxes, and other election supplies and equipment necessary to conduct such election, and which are not hereinafter specifically directed to be furnished by the clerk of another county or counties. Such election shall be governed and controlled by the general election laws of the state, so far as the same shall be applicable, except as herein otherwise provided. The returns of all elections for the creation of the county, and for officers and for location of the county seat as provided for in this act, shall be made to and canvassed by the board of county commissioners of the county from which the largest area is taken by the proposed county.

(7) The county clerk of each county from which territory is taken for the proposed new county shall, not less than five days before the date of such election, furnish to each board of election within said proposed new county, a copy of the official register for the precincts of such proposed new county as are within their respective counties, and the copies of indexes thereof required by law containing the names of all persons who were qualified electors at the last general election before the date of such election.

All returns of election herein provided for shall be made to the board of county commissioners calling such election.

All nominations of candidates for the office required to be filled at said election shall be made in the manner provided by law for the nomination of candidates by petition.

The provisions of the election laws relating to preparation, printing, and distribution of sample ballots, except the provisions of said laws relating to primary elections in this state, shall have application to any election provided for in this act.

History: En. Sec. 3, Ch. 226, L. 1919;
re-en. Sec. 4394, R. C. M. 1921.

NOTE.—Wording of this section changed
to conform to section 16-501.

16-506. (4395) Measures to be taken after election—officers—effect of adverse vote. (1) If, upon the canvass of the votes cast at such election, it appears that fifty-eight per cent of the votes cast are "For the new county of.....," "Yes," the board of county commissioners shall, by a resolution entered upon its minutes, declare such territory duly formed

and created as a county of this state, of the class to which the same shall belong, under the name of..... county, and that the city or town receiving the highest number of votes cast at said election for county seat shall be the county seat of said county until removed in the manner provided by law, and designating and declaring the person receiving respectively the highest number of votes for the several offices to be filled at said election, to be duly elected to such offices. Said board shall forthwith cause a copy of its said resolution, duly certified, to be filed in the office of the secretary of state, and ninety days from and after the date of such filing said new county shall be deemed to be fully created, and the organization thereof shall be deemed completed, and such officers shall be entitled to enter immediately upon the duties of their respective offices upon qualifying in accordance with law and giving bonds for the faithful performance of their duties, as required by the laws of the state. The clerk of the board of county commissioners with which said petition was filed, as herein provided, must immediately make out and deliver to each of said persons so declared and designated to be elected, a certificate of election authenticated by his signature and the seal of said county. The persons elected members of the board of county commissioners and the county clerk shall immediately, upon receiving their certificates of election, assume the duties of their respective offices.

(2) The board of county commissioners shall have authority to provide a suitable place for the county officers, and to purchase such supplies as may be deemed necessary for the proper conduct of the county government. All other officers take office ninety days after the filing of the resolution herein provided for with the secretary of state. All the officers elected at said election, or appointed under this act, shall hold their offices until the time provided by general law for the election and qualification of such officers in this state, and until their successors are elected and qualified, and for the purpose of determining the term of office of such officers, the years said officers are to hold office are to be computed respectively from and including the first Monday after the first day of January following the last preceding general election. If, however, upon such canvass it appears that more than forty-two per cent of the votes cast at said election are "For the new county of.....," "No," the board of county commissioners canvassing said vote as provided herein shall pass a resolution in accordance therewith, and thereupon the proceedings relating to division of such county or counties shall cease; and no other proceedings in relation to any other division of said old county or counties shall be instituted for at least two years after such determination.

At the election provided for in section 16-505 of this code, there shall be chosen such county, township, and district officers as are now or may hereafter by general law be provided for in counties of the class to which the said new county is determined to belong, as herein provided; provided, that all duly elected, qualified and acting officers of the county or counties, who may reside within the proposed new county, shall be deemed to be officers of said new

county if they file with the board of county commissioners, whose duty it shall be to call the election, within five days after the final hearing and determination of said petition for such proposed new county, their intention to become officers of said proposed new county, and the board of county commissioners issuing the proclamation of any election, as in this act provided, shall omit providing for the election of any such officers as may have filed their declaration as herein provided; and provided, also, that all duly elected, qualified, and acting justices of the peace and constables residing within the proposed new county at the time of the division of such county into townships, as hereinbefore in section 16-505 provided, shall hold office as such justices of the peace or constables in said county for the remainder of the term for which they were elected on qualifying as justices of the peace or constables for the respective townships in which they reside, when said townships are organized as provided in this act; provided, further, that all duly elected, qualified, and acting school trustees residing within the proposed new county at the time of the division of such county into school districts, as hereinbefore in section 16-505 provided, shall hold office as school trustees in said new county for the remainder of the term for which they were elected on qualifying as school trustees for the respective districts in which they reside, as said districts are organized as provided by this act. Each person elected or appointed to fill an office of such new county under the provisions of this act shall qualify in the manner provided by law for such officers, except as herein otherwise provided, and shall enter upon the discharge of the duties of his office within such time as herein provided, after the receipt of the certificate of his election. Each of such officers may take the oath of office before any officers authorized by the laws of the state of Montana to administer oaths, and the bond of any officer from which a bond is required shall be approved by any judge of the district court of the district to which such new county is attached for judicial purposes. The officers elected or appointed under the provisions of this act shall each perform the duties and receive the compensation now provided by general law for the office to which he has been appointed or elected in the counties of the class to which such new county shall have been determined to belong, as herein provided under the general classification of counties in this state.

CHAPTER 19

COUNTY BUDGET SYSTEM

Section 16-1907. Emergency expenditures—notice and hearings—objections by taxpayers—appeal—notice and hearing dispensed with in extreme cases—emergency warrants—tax levy—lapse of appropriations.

16-1907. (4613.6) Emergency expenditures—notice and hearings—objections by taxpayers—appeal—notice and hearing dispensed with in extreme cases—emergency warrants—tax levy—lapse of appropriations.
(1) In a public emergency, other than such as are hereinafter specifically described, and which could not reasonably have been foreseen at the time of making the budget, the board of county commissioners, by unanimous vote of the members present at any meeting, the time and place of which all the commissioners shall have had reasonable notice, shall adopt and enter upon their minutes a resolution stating the facts constituting the emergency and the estimated amount of money required to meet such emergency and shall publish the same, together with a notice that a public hearing will be held thereon at the time and place designated therein, but which shall not be less than one week after the date of said publication, at which any taxpayer may appear and be heard for or against the expenditure of money for such alleged emergency. Such resolution and notice shall be published once in the official newspaper of the county, and if there be none then in a newspaper of general circulation in the county.

(2) Upon the conclusion of such hearing, if the commissioners shall approve of such emergency expenditure, they shall make and enter upon their official minutes, by unanimous vote of all of the members of the board present at such meeting, an order setting forth the facts constituting such emergency together with the amount of expenditure authorized by them therefor, which order, so entered, shall be lawful authorization for them to expend such amount, but no more, for such purpose, subject however, to the following limitations: No expenditures shall be made or liability incurred pursuant to said order until five (5) days, exclusive of the day of entry of said order, shall have elapsed, during which time any taxpayer or taxpayers of said county feeling aggrieved by said order may appeal therefrom to the district court for such county by filing with the clerk of such court a verified petition, a copy of which shall theretofore have been served upon the county clerk and recorder of said county as the clerk of the board of county commissioners. Said petition shall set forth in detail the objections of the petitioner or petitioners to said order, giving their reasons why the said emergency does not exist. The service and filing of such petition shall operate to suspend such emergency order and the authority to make any expenditure or incur any liability thereunder, until final determination of the matter by the court.

(3) Upon the filing of such petition the court shall immediately fix a time for hearing such petition which shall be at the earliest convenient time. At such hearing the court shall hear the matter de novo and may take such testimony as it deems necessary. Its proceedings shall be summary and informal and its determination as to whether an emergency, such as is contemplated within the meaning and provisions of this act, exists or not, and whether the expenditure authorized by said order is excessive or not shall be final.

(4) The total of all emergency budgets, and appropriations made therein, in any one year, to be paid from the county poor fund shall not exceed the amount which would be produced by a mill levy equal to the difference between the mills levied in that year and the maximum mill levy authorized by law to be made for such fund, computed against the taxable value of the property subject to such levy, as shown by the last completed assessment roll of the county.

(5) Upon the happening of an emergency caused by fire, flood, explosion, storm, earthquake, epidemic, riot, or insurrection, or for the immediate preservation of order or of public health, or for the restoration of a condition of usefulness of which has been destroyed by accident, or for the relief of a stricken community overtaken by calamity, or in settlement of approved claims for personal injuries or property damages, exclusive of claims arising from the operation of any public utility owned by the county, or to meet mandatory expenditures required by law, the county commissioners may, upon adoption by unanimous vote of all members present at any meeting, the time and place of which all members shall have had reasonable notice, of a resolution stating the facts constituting the emergency, and entering the same upon their minutes, make the expenditures or incur the liabilities necessary to meet such emergency without further notice or hearing; provided, that the aggregate total of all expenditures made or liabilities in-

curred in any fiscal year to meet emergencies other than such as are caused by fire, flood, explosion, earthquake, epidemic, riot or insurrection, shall not exceed the sum of twenty-five thousand dollars (\$25,000.00) in counties of classifications 1, 2, 3 and 4; fifteen thousand dollars (\$15,000.00) in counties of classifications 5 and 6, and seven thousand five hundred dollars (\$7,500.00) in counties of classification 7 unless the excess above said sum shall first have been authorized by a majority of the taxpaying freeholders of such county, who are registered electors therein, voting at a general or special election. The question of authorizing such excess expenditure shall be submitted in the following form, inserting in the ballot the amount of the excess proposed to be authorized and a description of the emergency to be met:

"Shall the board of county commissioners of _____ County, Montana be authorized to make additional expenditures and incur additional liabilities in the amount of \$_____ over and above the sum of _____, to meet an emergency caused by _____.

☐

Yes

☐

No."

Notice of such election shall be given by posting notice thereof at least fifteen (15) days before such election in three (3) public places in each voting precinct within the county and by publishing such notice for not less than ten (10) days before the date of such election.

(6) All emergency expenditures shall be made by the issuance of emergency warrants drawn against the fund or funds properly chargeable with such expenditures, and the county treasurer is authorized and directed to pay such emergency warrants with any money in such fund or funds available for such purpose, and if, at any time, there shall not be sufficient money available in such fund or funds to pay such warrants then such warrants shall be registered, bear interest and be called in for payment in the manner provided by law for other county warrants.

(7) The county clerk and recorder shall include in his annual tabulation to be submitted to the board of county commissioners the total amount of emergency warrants issued during the preceding fiscal year, and the county commissioners shall include in their tax levies a levy for each fund sufficient to raise an amount equal to the total amount of such warrants, if there be any, remaining unpaid at the close of such preceding fiscal year because of insufficient money in such fund to pay the same; provided, however, that no levy shall be made for any fund in excess of the levy authorized by law to be made therefor; and provided further, that the board of county commissioners may submit the question of funding such emergency warrants at any election, as provided by law, and if at any such election the issuing of such funding bonds be authorized it shall not then be necessary for any levy to be made for the purpose of paying such emergency warrants.

(8) All appropriations, other than appropriations for incompletd improvements in progress of construction, shall lapse at the end of the fiscal

year; provided that the appropriation accounts shall remain open for a period of thirty (30) days thereafter for the payment of claims incurred against such appropriations prior to the close of the fiscal year and remaining unpaid. After such period shall have expired, all appropriations except as hereinbefore provided, regarding incompletd improvements, shall become null and void, and any lawful claim presented thereafter against any such appropriation shall be provided for in the next ensuing budget.

COUNTY FINANCE—BONDS AND WARRANTS

- Section 16-2021. Petition and election required for bonds issued for other purposes.
 16-2022. Form, contents and proof of petition.
 16-2023. Consideration of petition—calling election.
 16-2024. Notice of election—election hours—election officers.
 16-2025. Form of ballots and conduct of election.
 16-2026. Who are entitled to vote.
 16-2027. Percentage of electors required to authorize bond issue.
 16-2028. Canvass of election returns—resolution for bond issue.

16-2021. (4630.7) Petition and election required for bonds issued for other purposes. County bonds for any other purpose than those enumerated in section 16-2013 shall not be issued unless authorized at a duly called special or general election at which the question of issuing such bonds was submitted to the qualified electors of the county and approved, as provided in section 16-2027; and no such bond election shall be called unless there has been presented to the board of county commissioners a petition, asking that such election be held and such question be submitted, signed by not less than twenty per centum (20%) of the qualified electors of the county, who are taxpayers upon property within the county and whose names appear on the last completed assessment roll for state and county taxes.

History: En. Sec. 7, Ch. 188, L. 1931.

16-2022. (4630.8) Form, contents and proof of petition. Every petition for the calling of an election to vote upon the question of issuing county bonds shall plainly and clearly state the purpose or purposes for which the proposed bonds are to be issued, and shall contain an estimate of the amount necessary to be issued for such purpose or purposes. There may be a separate petition for each purpose, or two (2) or more purposes may be combined in one (1) petition if each purpose, with an estimate of the amount of bonds necessary to be issued therefor, is separately stated in such petition. Such petition may consist of one (1) sheet, or of several sheets identical in form and fastened together after being circulated and signed so as to form a single complete petition before being delivered to the county clerk as hereinafter provided. The petition shall give the postoffice address and voting precinct of each person signing the same.

Only persons who are qualified to sign such petitions shall be qualified to circulate the same, and there shall be attached to the completed petition the affidavit of some person who circulated, or assisted in circulating such petition, that he believes the signatures thereon are genuine and that the

signers knew the contents thereof before signing the same. The completed petition shall be filed with the county clerk who shall, within fifteen (15) days thereafter, carefully examine the same and the county records showing the qualifications of the petitioners, and attach thereto a certificate under his official signature and the seal of his office, which certificate shall set forth:

(1) The total number of persons who are registered electors and whose names appear upon the last completed assessment roll for state and county taxes.

(2) Which and how many of the persons whose names are subscribed to such petition are possessed of all of the qualifications required of signers to such petition.

(3) Whether such qualified signers constitute more or less than twenty per centum (20%) of the registered electors whose names appear upon the last completed assessment roll for state and county taxes.

History: En. Sec. 8, Ch. 188, L. 1931.

16-2023. (4630.9) Consideration of petition—calling election. When such petition has been filed with the county clerk and he has found that it has a sufficient number of signers, qualified to sign the same, he shall place the same before the board of county commissioners at its first meeting held after he has attached his certificate thereto. The board shall thereupon carefully examine the petition and make such other investigation as it may deem necessary.

If it is found that the petition is in proper form, bears the requisite number of signers of qualified petitioners, and is in all other respects sufficient, the board shall pass and adopt a resolution which shall recite the essential facts in regard to the petition and its filing and presentation, the purpose, or purposes, for which the bonds are proposed to be issued, and fix the exact amount of bonds proposed to be issued for each purpose, which amount may be less than but must not exceed the amount set forth in the petition, determine the number of years through which such bonds are to be paid, not exceeding the limitations fixed in section 16-2011, and making provision for having such question submitted to the qualified electors of the county at the next general election, or at a special election which the board may call for such purpose.

History: En. Sec. 9, Ch. 188, L. 1931.

16-2024. (4630.10) Notice of election—election hours—election officers. Whether such election is held at the general election, or at a special election, separate notice shall be given thereof. Such notice shall state the date when such election will be held, the hours between which the polls will be open, the amount of bonds proposed to be issued, the purpose of the issue, the term of years through which the bonds are to be paid, and such other information regarding the holding of the election and the bonds proposed to be issued as the board may deem proper. If bonds are to be issued for two (2) or more purposes, each purpose and the amount therefor must be separately stated. Such notice shall be posted in each voting precinct throughout the county in the same manner as notices for a general election are required to be posted. Such notice must also be published once each week for four

(4) consecutive weeks preceding the election in the official newspaper of the county.

If the question of issuing bonds is submitted at a special election called for such purpose the board of county commissioners shall fix the hours through which the polls are to be kept open, which shall be not less than eight (8), and which must be stated in the notice of election, and may appoint a smaller number of election judges than is required for a general election, but in no case shall there be less than three (3) judges in the precinct, and such judges shall act as their own clerks.

If the question of issuing bonds is submitted at a general election, the polls shall be kept open during the same hours as are fixed for such general election and the judges and clerks for such general election shall act as the judges and clerks for such bond election.

History: En. Sec. 10, Ch. 188, L. 1931.

16-2025. (4630.11) Form of ballots and conduct of election. The form of ballots shall be as prescribed by section 16-2306; but if bonds are sought to be issued for two (2) or more separate purposes, then separate ballots must be provided for each purpose. The election shall be conducted in the manner prescribed by said section 16-2306, and the general election laws of the state shall govern insofar as they are applicable; but if such question be submitted at a general election the votes thereon must be counted separately and separate returns must be made by the judges and clerks at such election.

History: En. Sec. 11, Ch. 188, L. 1931.

16-2026. (4630.12) Who are entitled to vote. In all county bond elections hereafter held only qualified registered electors residing within the county, who are taxpayers upon property therein and whose names appear upon the last completed assessment roll for state, county and school district taxes, shall have the right to vote. Upon the adoption of the resolution calling for the election, the county clerk must cause to be published in the official newspaper of the county a notice, signed by him, stating that registration for such bond election will close at noon on the fifteenth day prior to the date for holding such election and at that time the registration books shall be closed for such election. Such notice must be published at least ten (10) days prior to the day when such registration books will be closed.

After the closing of the registration books for such election the county clerk shall promptly prepare lists of the registered electors of such voting precinct, who are taxpayers upon property within the county and whose names appear on the last completed assessment roll for state, county and school district taxes, and who are entitled to vote at such election, and shall prepare poll books for such election, as provided in section 23-515, and deliver the same to the judges of election prior to the opening of the polls. It shall not be necessary to publish or post such list of qualified electors.

History: En. Sec. 12, Ch. 188, L. 1931;
amd. Sec. 1, Ch. 138, L. 1939.

16-2027. (4630.13) Percentage of electors required to authorize bond issue. Whenever the question of issuing county bonds for any purpose is submitted to the qualified electors of a county, at either a general or special election, not less than forty per centum (40%) of the qualified electors en-

titled to vote on such question must vote thereon, otherwise such proposition shall be deemed to have been rejected; provided, however, that if forty per centum (40%), or more of such qualified electors do vote on such question, at such election, and a majority of such votes shall be cast in favor of such proposition, then such proposition shall be deemed to have been approved and adopted.

History: En. Sec. 13, Ch. 188, L. 1931.

16-2028. (4630.14) Canvass of election returns—resolution for bond issue. If the bonding election be held at the same time as a general election, then the returns shall be canvassed at the same time as the returns from such general election; but if the bonding election is a special election, then the board of county commissioners shall meet within ten (10) days after the date of holding such special election and canvass the returns. If it is found that at such election forty per centum (40%) or more, of the qualified electors entitled to vote at such election voted on such question, and that a majority of such votes were cast in favor of the issuing of such bonds, the board of county commissioners shall, at a regular or special meeting held within thirty (30) days thereafter, pass and adopt a resolution providing for the issuance of such bonds. Such resolution shall recite the purpose for which such bonds are to be issued, the amount thereof, the maximum rate of interest the bonds may bear, the date they shall bear, the period of time through which they shall be payable, the optional provisions, if any; and provide for the manner of the execution of the same. It shall provide that preference shall be given amortization bonds but shall fix the denomination of serial bonds in case it shall be found advantageous to issue bonds in that form, and shall adopt a form of notice of the sale of the bonds.

The board may, in its discretion, provide that such bonds may be issued and sold in two or more series or installments.

History: En. Sec. 14, Ch. 188, L. 1931.

(1) At all primary elections there shall be a ballot made up of the several party tickets herein provided for, each of which shall be printed on a separate sheet of white paper, and all of which shall be the same size, and shall be securely fastened together at the top and folded, provided that there shall be as many separate tickets as there are parties entitled to participate in said primary election.

(2) The names of all candidates shall be arranged alphabetically according to surnames, under the appropriate title of the respective officers, and under the proper party designation upon the party ticket, except as hereinafter provided. When two or more persons are candidates for nomination for the same office, it shall be the duty of the county clerk in each of the counties of the state to divide the ballot forms provided by the law for the county, into sets so as to provide a substantial rotation of the names of the respective candidates as follows:

(3) He shall divide the whole number of ballot forms for the county into sets equal in number to the greatest number of candidates for the nomination or election to any office, and he shall so arrange said sets that the names of the candidates shall, beginning with a form arranged in alphabetical order as provided herein, be rotated by removing one name from the top of the list for each nomination or office and placing said name or number at the bottom of the list for each successive set of ballot forms; provided, however, that no more than one of said sets shall be used in printing the ballots for use in any one precinct, and that all ballots furnished for use in any precinct shall be of one form and identical in every respect. In case any person is nominated as provided in this act, upon more than one ticket, he shall within ten (10) days after such election file with the secretary

of state, county clerk or city clerk, a written document indicating the party designation under which his name is to be printed on the official ballot for the general election, failing in which, his name shall be printed upon the party ticket for which his nominating petition shall have been first filed, and no candidate shall have his name printed on more than one ticket; provided, however, that in the event a candidate whose name has been printed upon the party ticket for which his nominating petition shall have been first filed shall fail of nomination upon the ticket upon which his name is so printed, his name shall not be printed upon any ballot under any party designation; and provided further that nothing in this act shall preclude any elector from having his name printed upon the ballot as an independent candidate.

(4) The ballots with the endorsements shall be printed on white paper in substantially the forms of the Australian ballot, used in general elections, except that the candidates of each party shall be printed on a separate ticket or sheet. After preparing his ballot the elector shall detach the same from the remaining tickets and fold it so that its face will be concealed and with official stamp thereon seen. The remaining tickets attached together shall be folded in like manner by the elector who shall thereupon, without leaving the polling place, vote the marked ballot forthwith, and deposit the remaining tickets in the separate ballot box to be marked and designated as the blank ballot box. Immediately after the canvass, the judges of election shall, without examination, destroy the tickets deposited in the blank ballot box.

The sample ballots shall be duplicate impressions of the official ballots to be voted, but in no case shall they be white, nor shall said sample ballots have perforated stubs, nor shall they have the same margin either at the top or sides or bottom as the official ballots have, or nearer thereto than twelve points, and the names of the candidates on the tickets composing the same shall not be rotated as required for the official ballots, but shall be impressions of the tickets belonging to lot 1 of each party.

Except as in this chapter otherwise provided, it shall be the duty of the county clerk of each county to provide printed ballots for every election for public officers in which electors or any of the electors within the county participate, and to cause to be printed on the ballot the names of all candidates, including candidates for chief justice and associate justices of the supreme court and judges of the district courts, whose names have been certified to, or filed with the county clerk, in the manner provided in this chapter. When any vacancy occurs before election day and after the printing of the ballots, and any person is nominated according to the provisions of this code to fill such vacancy, the officer whose duty it is to have the ballots printed and distributed must thereupon have printed a requisite number of pasters containing the name of the new nominee, and must mail them by registered letter to the judges of election in the various precincts interested in such election, and the judges of election, whose duty it is made by the provisions of this chapter to distribute the ballots, must affix such pasters over the name for which substitution is made in the proper place on each ballot before it is given out to the elector.

23-1105. (681) Form, color and size of ballot. Ballots for all general elections prepared under the provisions of this chapter must be white in color and of a good quality of paper and the names must be printed thereon in black ink. The ballots used in any one county must be uniform in size and every ballot must contain the name of every candidate whose nomination for any special office specified in the ballot has been certified or filed according to the provisions of law and no other names, except that the names of candidates for president and vice-president of the United States shall appear on the ballot as provided for by section 23-2101.

23-1106. Names and party of candidates to be printed on ballot. The name of each candidate nominated shall be printed upon the ballot in but one place and there shall be added after and directly opposite to the name of each candidate nominated, the party or political designation contained in the certificate of nomination of such candidate in not more than three (3) words, except that the political designation of electors for president and vice-president of the United States shall be opposite the whole list thereof, and the names of candidates for chief justice, associate justices, and district court judges shall each be followed by the following words directly underneath the name of the candidate: "Nominated without party designation." It is provided, however, that whenever any person is nominated for the same office by more than one party the designation of the party which first nominated him shall be placed opposite his name unless he declines in writing, one or more of such nominations, or by written election indicates the party designation which he desires printed opposite his name; or if he is nominated by more than one party at the same time he shall within the

time fixed by law for filing certificates of nomination, file with the officer with whom his certificate of nomination is required to be filed, a written election indicating the party designation which he desires printed opposite his name, and it shall be so printed. If he shall fail or neglect to file such an election no party designation shall be placed opposite his name.

23-1107. Arrangement of names—rotation on ballot. The names of all candidates shall be arranged alphabetically according to surnames under the appropriate title of the respective offices. It is provided, however, that, while all of the candidates for the particular office shall remain together in the same box, yet the candidates of the two major parties shall appear on the ballot before and above the candidates of the minor parties and independent candidates. For the purpose of designating the candidates of the two major parties, they shall be those candidates of the two parties whose candidates for governor, excluding independent candidates, have been either first or second, (by receiving the highest or next highest number of votes cast for the office of governor at the particular election) the greatest number of times at the next preceding four (4) general elections. In case of a tie in the number of first or second places, the determination shall be made by going back enough preceding elections to break the tie and no farther. All other candidates shall be designated as either independent candidates or as belonging to minor parties. When two or more persons are candidates for election to the same office, including presidential and vice-presidential candidates, it shall be the duty of the county clerk in each of the counties of the state to divide the ballot forms provided by the law for the county, into sets so as to provide a substantial rotation of the names of the respective candidates as follows:

He shall divide the whole number of ballot forms for the county into sets equal in number to the greatest number of candidates for any office, and he shall so arrange said sets that the names of the candidates shall, beginning with a form arranged in alphabetical order, (for the purposes of rotation of presidential and vice-presidential candidates, the office of president and vice-president, together with presidential electors shall be considered as a group and alphabetized under the name of the candidate for president), be rotated by removing one name from the top of the list for each office and placing said name or number at the bottom of that list for each successive set of ballot forms; provided, however, that no more than one of said sets shall be used in printing the ballot for use in any one precinct, and that all ballots furnished for use in any precinct shall be of one form and identical in every respect. It is further provided that candidates of the two major parties as hereinabove defined shall be rotated as one group and the candidates of the minor parties and independent candidates shall be rotated as another group so that the candidates of the two major parties for a particular office shall appear on the ballot before and above any candidates of the minor parties or independent candidates.

History: En. Sec. 2, Subd. B, Ch. 81, L. 1947; amd. Sec. 1, Subd. B, Ch. 79, L. 1939; amd. Sec. 1, Subd. B, Ch. 141, L. 1949.

23-1108. Placement on ballot of candidates for state senate or house of representatives. At any state or county election in which a member of the state senate or house of representatives is to be elected or nominated, and subject to the provisions of sections 23-919 and 23-1105, the list of candidates for such offices shall be arranged on the ballot immediately following the other state offices and shall precede any county office on such ballot.

History: En. Sec. 1, Ch. 170, L. 1939.

23-1109. Columns and material to be printed on ballot. Each ballot shall contain at the top the stub as provided by section 23-1114, and directly underneath the perforated line shall be the following words in bold face type, "VOTE IN ALL COLUMNS." Each ballot shall contain three (3) columns. At the head of the first column to the left shall be the words, "STATE AND NATIONAL," in large bold face type, followed by a list of all candidates for state and national offices, including supreme court justices, and district court judges, and such list shall progressively continue on to the top of the second column. Following the list of state and national candidates shall be the words "COUNTY AND TOWNSHIP," in large bold face type, and beneath such heading shall be listed all candidates for the legislative assembly, county and township offices and such list shall progressively continue on to the top of the third column. Following the list of county and township candidates shall be the words "INITIATIVES, REFERENDUMS, AND CONSTITUTIONAL AMENDMENTS," in large bold face type, and listed thereunder shall be all proposed constitutional amendments and measures to be voted on by the people at such election which do not involve the creation of any state levy, debt or liability. In case there are no such measures to be submitted, the said heading entitled "INITIATIVES, REFERENDUMS, AND CONSTITUTIONAL AMENDMENTS," shall be eliminated. Every ballot shall be so printed that all matter heretofore required to be printed on each ballot shall be equally apportioned among the three columns as nearly as possible in the order heretofore and hereafter specified. All such measures which involve the creation of a state levy, debt or liability shall be submitted to the qualified voters upon a separate official ballot in substantial conformity with the form provided for by section 23-1112, for the submission of such measures.

History: En. Sec. 2, Subd. C, Ch. 81, L. 1947; amd. Sec. 1, Subd. C, Ch. 79, L. 1939; amd. Sec. 1, Subd. C, Ch. 141, 1949; amd. Sec. 1, Ch. 72, L. 1953.

Likewise, at the top of the second column shall be the words "STATE AND NATIONAL (continued)" and at the top of the third column shall be the words "COUNTY AND TOWNSHIP (continued)" to indicate the continuation of the list of candidates under each respective heading to the following column if after all the printed matter is equally apportioned among the three columns, one column is insufficient to contain all the candidates listed under each of the aforementioned headings.

History: En. Sec. 2, Subd. D, Ch. 81, L. 1947; amd. Sec. 1, Subd. D, Ch. 79, L. 1939; re-en. Sec. 1, Subd. D, Ch. 141, L. 1949; amd. Sec. 2, Ch. 72, L. 1953.

23-1111. Order of placement. The order of the placement of the offices on the ballot in the first column, or to the left, designated "STATE AND NATIONAL," shall be as follows: "President and vice-president, together with the presidential electors; United States senator; United States representative in congress; governor; lieutenant governor; secretary of state; attorney general; state treasurer; state auditor; railroad and public service commissioners; state superintendent of public instruction; clerk of the supreme court; chief justice of the supreme court; associate justice or justices of the supreme court; district court judges"; provided, however, that in the years in which any of such offices are not to be elected, such offices shall not be designated, but the order of those offices to be filled shall maintain their relative positions as herein provided.

In the second column, designated, "COUNTY AND TOWNSHIP," the following order of placement shall be observed: "state senator; member or members of the house of representatives; clerk of district court; county commissioner; county clerk and recorder; sheriff; county attorney; county auditor." Such other offices to be elected shall be placed following the foregoing in the order deemed most appropriate by the county clerk. In the third column constitutional amendments shall come first with referendum and initiative measures following.

23-1112. Ballot to facilitate expression of voter's choice. In case of a short term and a long term election for the same office, the long term office shall precede the short term. The ballots shall be so printed as to give each voter a clear opportunity to designate his choice of candidates by a cross mark, (X) in a square at the left of the name of each candidate. Above each group of candidates for each office shall be printed the words designating the particular office in bold face capital letters and directly underneath the words, "VOTE FOR" followed by the number to be elected to such office. As nearly as possible the ballot shall be in the following form:

The part above the perforated line, designated as the stub, shall extend the entire width of the ballot, and shall be of sufficient depth to allow the following instructions to voters to be printed thereon, such depth to be not less than two inches from the perforated line to the top thereof, upon the face of which stub shall be printed, in type known as brevier capitals, the following: "This ballot should be marked with an 'X' in the square before the name of each person or candidate for whom the elector intends to vote. In cases of a ballot containing a constitutional amendment, or other question to be submitted to a vote of the people, by marking an 'X' in the square before the answer of the question or amendment submitted. On the back of the stub shall be printed or stamped by the county clerk, or other officer whose duty it is to provide the ballots, the consecutive number of the ballot, beginning with number "1," and increasing in regular numerical order to the total number of ballots required for the precinct.

The county clerk must also prepare the necessary ballots whenever any question is required by law to be submitted to the electors of any locality, and any of the electors of the state generally, except that as to all questions submitted to the electors of a municipal corporation alone the city clerk must prepare the necessary ballots.

23-1311. (725) Duty of election judges—poll-lists, numbering ballots and rejected ballots. The judges of election, at the opening of the polls, shall note on the poll-lists, when one is required by law to be kept, opposite the numbers corresponding to the numbers of the ballots issued to absent or physically incapacitated voters, as shown by the certificate of the county or city or town clerk, the fact that such ballots were issued to absent or physically incapacitated voters, and shall reserve said numbers for the absent or physically incapacitated voters. The notation may be made by writing the words “absent or physically incapacitated voters” opposite such numbers.

The judges shall not allow any names to be inserted in the poll-list on the lines corresponding to said numbers, except the name of the elector entitled to each particular number according to the certificate of the county or city or town clerk, and the number of his ballot. Any so rejected shall be placed together with the voter’s application and the absent or physically incapacitated voter’s envelope provided for the purpose by the clerk and recorder or city or town clerk, which shall be sealed and endorsed by the words, “rejected absent or physically incapacitated voter ballots” numbered, and shall put thereon the number of the ballots given to absent or physically incapacitated voters according to the county or city or town clerk’s certificate. There shall be a separate enclosing envelope for the ballot or ballots of each absent or physically incapacitated voter whose ballot or ballots may have been rejected, and such envelopes shall be placed in an envelope together with the other ballots, and shall not be opened without order of a court of competent jurisdiction.

23-1312. (726) Voting before election day by prospective absentee or physically incapacitated elector. Any qualified elector who is present in his county after the official ballots of such county have been printed and who has reason to believe that he will be absent from such county on election day, or physically incapacitated as provided in section 23-1302 may vote before he leaves his county or prior to the inception of such physical incapacity, in like manner as an absent or physically incapacitated voter, before the county or city or town clerk or some officer authorized to administer oaths and having an official seal; and the provisions of this act shall be deemed to apply to such voting. If the ballot be marked before the county or city or town clerk it shall be his duty to deal with it in the same manner as if it had come by mail.

History: En. Sec. 12, Ch. 110, L. 1915; 726, R. C. M. 1921; amd. Sec. 11, Ch. 234, amd. Sec. 12, Ch. 155, L. 1917; re-en. Sec. L. 1943.

23-1313. (727) Envelopes containing ballots—deposit in box and rejection of ballot. At any time between the opening and closing of the polls on such election day, the judges of election of such precinct shall first open

the outer envelope only, and compare the signature of such voter to such application, with the signature to such affidavit.

In case the judge finds the affidavit is sufficient and that the signatures correspond, and that the applicant is then a duly qualified elector of such precinct, and has not voted at such election, they shall open the absent or physically incapacitated voter's envelope, in such manner as not to destroy the affidavit thereon, and take out the ballot or ballots therein contained, and without unfolding the same, or permitting the same to be opened or examined, shall ascertain whether the stub or stubs is or are still attached to the ballot or ballots, and whether the number thereon corresponds to the number in the county or city or town clerk's certificate. If so, they shall endorse the same in like manner that other ballots are endorsed, shall detach the stub as in other cases, and deposit the ballot or ballots in the proper ballot-box or boxes, and make in their election list and books the proper entries to show such elector to have voted. In case such affidavit is found to be insufficient, or that the said signatures do not correspond, or that such applicant is not then a duly qualified elector of such precinct, such vote shall not be allowed, but, without opening the absent or physically incapacitated voter envelope, the judges of such election shall mark across the face thereof "rejected as defective" or "rejected as not an elector" as the case may be. The absent or physically incapacitated voter envelope, when such absent vote or vote by a person physically incapacitated from going to the polls is voted, and the absent or physically incapacitated voter envelope with its contents, unopened, when such absent vote or vote by a person physically incapacitated from going to the polls is rejected, shall be deposited in the ballot-box containing the general or party ballots, as the case may be, retained and preserved in the manner by law provided for the retention and preservation of official ballots voted at such election. If, upon opening the absent or physically incapacitated voter's envelope, it be found that the stub of any ballot has been detached, or that the number thereon does not correspond to the number in the county or city or town clerk's certificate of the number issued to such absent or physically incapacitated voter, the ballot shall be rejected, and it shall then and there, and without looking at the face thereof, be marked on the back "rejected on the ground of.....," filling the blank with the statement of the reason of the rejection; which statement shall be dated and signed by the majority of the judges. The ballot or ballots so rejected, together with the absent or physically incapacitated voter's envelope bearing the application, and the said application, shall be all enclosed in an envelope, which shall be then and there securely sealed, and on such envelope the judges shall write or cause to be written (if not already printed thereon) the words, "rejected ballot of absent or physically incapacitated voter" (writing in the name of the elector). "The rejected ballot or ballots is or are....." The judges shall designate the rejected ballot as "general ballot," if it be a ballot for candidates that be rejected. If the rejected ballot be a one put on a question submitted to the vote of the electors, the judges shall designate such ballot as ballot question No.....in the certificate on the envelope. There shall be a separate enclosing envelope for the ballot or ballots of each absent or physically incapacitated voter whose

ballot or ballots may have been rejected and such enclosing envelope shall be placed in the envelope in which the other ballots voted or (are) required to be placed and shall not be opened without an order of a court of competent jurisdiction. The county or city or town clerk shall provide and have delivered to the judge of election suitable envelopes for enclosing rejected absent or physically incapacitated voter's ballots.

23-1316. (730) Procedure when elector is present after marking absent or physically incapacitated voter ballot. In case any elector who shall have marked his ballot as an absent or physically incapacitated voter, as in this act provided, shall appear at the voting place of his precinct on election day, before his ballot or ballots shall have been deposited in the ballot-box, his envelope containing his ballot shall, if he so desires, be opened in his presence, and the ballot or ballots found therein shall be deposited in the ballot-box as hereinbefore provided. If such elector shall ask for a new ballot or ballots with which to vote, he shall be entitled to the same, but in such case his absent or physically incapacitated voter envelope shall not be opened, and the judges shall mark, or cause to be marked, across the face thereof, "unopened because voter appeared and voted in person," and then deposit the said envelope, unopened, in the ballot-box. If the envelope containing the absent or physically incapacitated voter ballot shall have been marked "rejected as defective," and deposited in the ballot-box, such elector so appearing shall have the same right to vote as if he had not attempted to vote as an absent or physically incapacitated voter. If voting machines are there used, he shall vote by machine as other voters.

 23-1617. Experimental use of machines—defective machines.
 23-1618. Approved machines—continuation of use.

23-1601. (757) Voting machines—secretary of state. It shall be the duty of the secretary of state to examine, or cause to be examined, all voting or ballot machines in order to determine whether such machines comply with the requirements of this chapter, and can safely be used by voters at elections under the provisions of said chapter, and no machine or machines shall be provided or used at any election in this state unless such machine or machines shall have received the approval of the secretary of state as herein provided. The secretary of state may employ two qualified mechanics, who shall be qualified electors of the state of Montana, to examine said machines and assist him in the discharge of his duties under said chapter, the compensation to be paid such qualified mechanics not to exceed the sum of ten dollars (\$10.00) each for each day actually employed. Any machine or machines which shall have the approval of the secretary of state may be provided for in this chapter. The report of the secretary of state on each and every kind of voting machine shall be filed in his office within thirty days after examining the machine, and he shall, within five days after the filing of any report approving any machine or machines transmit to the board of county commissioners, city or town council or other board of officers having charge and control of elections in each of the counties, cities and towns in this state, a list of the machines so approved. No machine or machines shall be used unless they shall have received the approval of the secretary of state at least sixty days prior to any election at which such machine or machines are to be used. The compensation of the mechanics and all other expenses connected with the examination of any machine shall be paid, or cause to be paid, by the person or company submitting a machine for examination before the filing of the report thereon. 23-1602. (758) Specifications of machines required. No machine or machine system shall be approved by the secretary of state unless it is so

constructed as to afford every elector a reasonable opportunity to vote for any person for any office, or for or against any proposition for whom, or for or against which he is entitled by law to vote, and enable him to do this in seerecy; and it must be so constructed as to preclude an elector from voting for any candidate for the same office or upon any question more than once, and from voting for any person for any office or on any proposition, for whom or on which he is not entitled to vote. The machine or machine system must admit of his voting a split ticket as he may desire. It must also be constructed as to register or record each and every vote cast. For presidential electors one device may be provided for voting for all the candidates on one party at one time by the use of such device, opposite or adjacent to which shall be a ballot on the machine containing the names of all the candidates for all presidential electors for that party, and a vote registered or recorded by the use of such device shall be counted for each of such candidates on said ballot. The machine must be so constructed that it cannot be tampered with or manipulated for any fraudulent purpose; and the machine must be so locked, arranged, or constructed, that during the progress of the voting no person can see or know the number of votes registered or recorded for any candidate or for or against any proposition.

The boards of county commissioners of counties of the first class shall, and the boards of county commissioners of other counties and city councils of all cities and towns, may, at their option, adopt and purchase, for use in the various precincts, any voting machine approved in the manner above set forth in section 23-1601, by the secretary of state, and none other. If it shall be impracticable to supply each and every election district with a voting machine or voting machines at any election following the adoption of such machines in a city, village, or town, as many may be supplied as it is practicable to procure, and the same shall be used in such precinct of the municipality, as the proper officers may order. The proper officers of any city, village, or town may, not later than the tenth (10th) day of September, in any year in which a general election is held, unite two or more precincts into one for the purpose of using therein at such election a voting machine, and the notice of such uniting shall be given in the manner prescribed by law for the change of election districts.

23-1604. (760) Payment for machines, how provided for. Payment for voting machines purchased may be provided by the issuance of interest-bearing bonds, certificates of indebtedness, or other obligation, which will be a charge upon such county, city, or town. Such bonds, certificates, or other obligation may be made payable at such time or times, not exceeding ten years from the date of issue, as may be determined, but shall not be issued or sold at less than par.

23-1605. (761) Method of conducting elections. (1) The room in which the election is held shall have a railing separating that part of the room to be occupied by the election officers from that part of the room occupied by the voting machine. The exterior of the voting machine and every part of the polling-place shall be in plain view of the judges. The machine shall be so placed that no person on the opposite side of the railing can see or determine how the voter casts his vote, and that no person can so see or determine from the outside of the room. After the opening of the polls, the judges shall not allow any person to pass within the railing to that part of the room where the machine is situated, except for the purpose of voting and except as provided in the next succeeding section of this act; and they shall not permit more than one voter at a time to be in such part of the room. They shall not themselves remain or permit any person to remain in any position that would permit him or them to see or ascertain how the voter votes or how he has voted. No voter shall remain within the voting machine booth or compartment longer than one minute, and if he should refuse to leave it after that lapse of time he shall at once be removed by the judges. The election board of each election precinct in which a voting machine is used shall consist of three judges of election. Where more than one machine is to be used in an election precinct, one additional judge shall be appointed for each additional machine. Before each election at which voting-machines are to be used, the custodian shall instruct all judges of election that are to serve thereat in the use of the machine and their duties in connection therewith; and he shall give to each judge that has received such instruction, and is fully qualified to conduct the election with the machine, a certificate to that effect. For the purpose of giving such instruction, the custodian shall call such meeting or meetings of the judges of election as shall be necessary.

(2) Each judge of election shall attend such meeting or meetings and receive such instructions as shall be necessary for the proper conduct of the election with the machine; and, as compensation for the time spent in receiving such instruction, each judge that shall qualify for and serve in the election shall receive the sum of one dollar, to be paid to him at the same time and in the same manner as compensation is paid to him for his services on election day. No such judge of election shall serve in any election at which a voting machine is used, unless he shall have received such instruction and is fully qualified to perform his duties in connection with the machine, and has received a certificate to that effect from the custodian of the machines; provided, however, that this shall not prevent the appointment of a judge of election to fill a vacancy in an emergency.

Sec. 613, Rev. C. 1907; amd. Sec. 1, Ch. 99,
L. 1909; re-en. Sec. 761, R. C. M. 1921.

23-1606. (762) Assistance to elector unable to record vote. If any voter shall, in the presence of the judges of election, declare that he is unable to read or write the English language, or that by reason of a physical disability or total blindness he is unable to register or record his vote upon the voting machine, he shall be assisted as provided by section 23-1213. Any person who shall deceive any elector in registering or recording his

vote under this section, or who shall register or record his vote in any other way than as requested by such person or who shall give information to any person as to what ticket or for what person or persons such person voted, shall be punished as provided in section 94-1407.

23-1607. (763) Ballots and instructions to voters. (1) Not more than ten (10) or less than three (3) days before each election at which voting machines are to be used, the board, or officials, charged with the duty of providing ballots, shall publish in newspapers representing at least two (2) political parties a diagram of reduced size showing the face of the voting machine, after the official ballot labels are arranged thereon, together with illustrated instructions how to vote, and a statement of the locations of such voting machines as shall be on public exhibition; a voting machine shall at all time be on exhibition for public demonstration in the office of the county clerk and recorder in the counties where said voting machines are used, and it shall be the duty of said county clerk and recorder to demonstrate and explain the working and operation of said voting machine to any inquiring voter; or in lieu of such publication, said board or officials may send by mail or otherwise at least three (3) days before the election, a printed copy of said reduced diagram to each registered voter.

(2) Not later than forty (40) days before each election at which voting machines are to be used the secretary of state shall prepare samples of the printed matter and supplies named in this section, and shall furnish one of each thereof to the board or officials having charge of election in each county, city, or village in which the machines are to be used, such samples to meet the requirements of the election to be held, and to suit the construction of the machine to be used.

(3) The board or officials charged with the duty of providing ballots, shall provide for each voting machine for each election the following printed matter and supplies; suitable printed or written directions to the custodian for testing and preparing the voting machines for the election; one certificate on which the custodian can certify that he has properly tested and prepared the voting machine for the election; one certificate on which some person other than the custodian preparing the machine, can certify that the voting machine has been examined and found to have been properly prepared for the election; one certificate on which the party representatives can verify that they have witnessed the testing and preparation of the machines; one certificate on which the deliverer of the machine can certify that he has delivered the machines to the polling-places in good order; one card stating the penalty for tampering with or injuring a voting machine; two seals for sealing the voting machine; one envelope in which the keys to the voting machine can be sealed and delivered to the election officers, said envelope to have printed or written thereon the designation and location of the election district in which the machine is to be used, the number of machine, the number shown on the protective counter thereof after the machine has been prepared for the election and the number or other designation on such seal as the machine is sealed with; said envelope to

have attached to it a detachable receipt for the delivery of the keys of the voting machine to the judge of election; one envelope in which keys to the voting machine can be returned by the election officers after the election; one card stating the name and telephone address of the custodian on the day of the election; two statements of canvass on which the election officers can report the canvass of the votes as shown on the voting machine, together with other necessary information relating to the election, said statements of canvass to take the place of all tally papers, statements, and returns as provided heretofore; three (3) complete sets of ballot labels; two diagrams of the face of the machine with the ballot labels thereon, each diagram to have printed above it the proper instructions to voters for voting on the machine; six (6) suitable printed instructions to judges of election; six (6) notices to judges of election to attend the instruction meeting; six (6) certificates that the judges of election have attended the instruction meeting, have received the necessary instruction, and are qualified to conduct the election with the machine.

(4) The ballot labels shall be printed in black ink on clear white material of such size and arrangement as shall suit the construction of the machine; provided, however, that the ballot labels for the questions may contain a condensed statement of each question to be voted on, followed by the words "Yes" and "No"; and provided further, that the titles of the officers thereon shall be printed in type as large as the space for each office will reasonably permit, and wherever more than one candidate will be voted for for an office, there shall be printed below the office title thereof the words "vote for any two," or such number as the voter is lawfully entitled to vote for for such office.

(5) When any person is nominated for an office by more than one political party his name shall be placed upon the ticket under the designation of the party which first nominated him; or, if nominated by more than one party at the same time, he shall, within the time fixed by law for filing certificates of nomination, file with the officer with whom his certificate of nomination is required to be filed, a written statement indicating the party designation under which he desires his name to appear upon the ballot, and it shall be so printed. If he shall refuse or neglect to so file such a statement, the officer with whom the certificate of nomination is required to be filed shall place his name under the designation of either of the parties nominating him, but under no other designation whatsoever.

(6) If the election be one at which all the candidates for office of presidential electors are to be voted for with one device, the county commissioners shall furnish for each machine twenty-five (25) ballots for each political party, each ballot containing the names of the candidates for the office of presidential electors of such party and a suitable space for writing in names, so that the voter can vote thereon for part of the candidates for the office of presidential electors of one party and part of the candidates therefor of one or more other parties or for persons for that office not nominated by any party. For election precincts in which voting machines are to be used, no books or blanks for making poll-lists shall be provided, but in lieu thereof, the registry lists shall contain a column in which can be

entered the number of each voter's ballot as indicated by the number registered on the public counter as he emerges from the voting machine.

History: En. Sec. 7, Ch. 168, L. 1907; L. 1909; amd. Sec. 1, Ch. 246, L. 1921; Sec. 615, Rev. C. 1907; amd. Sec. 2, Ch. 99, re-en. Sec. 763, R. C. M. 1921.

23-1608. (764) City and county clerks to set up machines for use. The city or county clerks of each city or county in which a voting machine is to be used shall cause the proper ballots to be put upon each machine corresponding with the sample ballots herein provided for, and the machines in every way put in order, set and adjusted ready for use in voting when delivered at the precinct, and for the purpose of so labeling the machines, putting in order, setting and adjusting the same, they may employ one or more competent persons, and they shall cause the machine so labeled, in order and set and adjusted, to be delivered at the voting precinct, together with all necessary furniture and appliances that go with the same in the room where the election is to be held in the precinct, in time for the opening of the polls on election day; provided, however, that a shield of tin painted black made to conform with the shape of the keys or levers on said voting machine, shall be placed over the keys or levers not in use on the face of the ballot of the voting machine; said shields to be plainly marked with the words "not in use"; and provided that a space of at least one row of keys or levers be left vacant and marked "not in use" between the rows assigned to the two parties obtaining the largest number of votes cast at the previous general election; and provided, also that the general ballot used on the voting machine shall conform in the location of the various parties and the location of the various names of the candidates, with the paper ballots used in the precincts where voting machines are not in use. Thus the party assigned to the first vertical column on the paper ballot be given the first vertical column or the top horizontal row on the voting machine; the party assigned to the second vertical column on the paper ballot be given the second vertical column, or the second horizontal row to be voted on the voting machine. The judges shall compare the ballots on the machine with the sample ballot, see that they are correct, examine and see that all the counters, if any, in the machine are set at zero, and that the machine is otherwise in perfect order, and they shall not thereafter permit the machine to be operated or moved except by electors in voting, and they shall also see that all necessary arrangements and adjustments are made for voting irregular ballots on the machine, if such machine be so arranged.

History: En. Sec. 8, Ch. 168, L. 1907; Sec. 616, Rev. C. 1907; amd. Sec. 2, Ch. 246, L. 1921; re-en. Sec. 764, R. C. M. 1921.

23-1609. (765) Irregular ballots. In case a voting machine be adopted which provides for the registry or recording of votes for candidates whose names are not on the official ballot, such ballots shall be denominated irregular ballots. A person whose name appears on a ballot, or on or in a machine or machine system, shall not be voted for for the same office or on or in any regular device for casting an irregular ticket, and any such vote shall not be counted, except for the office of presidential electors, and an elector may vote in or on such irregular device for one or more persons nominated by one party with one or more persons nominated by any one or

all other parties, or for one or more persons nominated by one or more parties with one or more persons not in nomination, or he may vote in such irregular device a presidential electoral ticket composed entirely of names of persons not in nomination.

23-1610. (766) Counting the votes. As soon as the polls of the election are closed the judges shall immediately lock the machine, or remove the recording device so as to provide against voting, and open the registering or recording compartments in the presence of any person desiring to attend the same, and shall proceed to ascertain the number of votes cast for each person voted for at the election, and to canvass, record, announce, and return the same as provided by law.

History: En. Sec. 10, Ch. 168, L. 1907;
Sec. 618, Rev. C. 1907; re-en. Sec. 766,
R. C. M. 1921.

23-1611. (767) Election returns. (1) The judges, as soon as the count is completed and fully ascertained, shall place the machine for one hour in such a position that the registering or recording compartments will be in full view of the public and any person desiring to view the number of votes cast for each person voted for at the election, must be permitted to do so. Immediately after the above said one hour shall have expired the judges shall seal, close, lock the machine or remove the record so as to provide against voting or being tampered with, and in case of a machine so sealed or locked, it shall so remain for a period of at least thirty (30) days, unless opened by order of a court of competent jurisdiction. When irregular ballots have been voted, the judges shall return them in a properly sealed package endorsed "irregular ballots," and indicating the precinct and county and file such package with the city or county clerk. It shall be preserved for six (6) months after such election and may be opened and its contents examined only upon an order of a court of competent jurisdiction; at the end of such six (6) months unless ordered otherwise by the court, such package and its contents shall be destroyed by the city or county clerk. All tally sheets taken from such machine, if any, shall be returned in the same manner.

(2) The officers heretofore charged with the duty of furnishing tally sheets and return blanks shall furnish suitable return blanks and certificates to the officers of election. Such return sheets shall have each candidate's name designated by the same reference character that said candidate's name bears on the ballot labels and counters, and shall make provision for writing in of the vote for such candidate in figures and shall also provide for writing in of the vote in words. Such return sheet shall also provide for the return of the vote on questions. It shall also have a blank thereon, on which can be marked the precinct, ward, etc., of which said return sheet bears the returns and the number and make of the machine used. Said return sheet shall also have a certificate thereon, to be executed before the polls open by the judges of election, stating that all counters except the protective counter, if any, and except as otherwise noted thereon, stood at "000" at the be-

ginning of the election, and that all of said counters had been carefully examined before the beginning of the election; that the ballot labels were correctly placed on the machine and correspond to the sample ballot, and such other statements as the particular machine may require; and shall provide for the signature of the election officers. Said return sheet shall also have thereon a second certificate stating the manner of closing the polls, the manner of verifying the returns, that the foregoing returns are correct, giving the indication of the public counter, and poll-list, and protective counter, if any, at the close of the election. Such certificate shall properly specify the procedure of canvassing the vote and locking the machine, etc., for the particular type of machine used, and such certificate shall be such that the election officers can properly subscribe to it as having been followed and shall have provisions for the signature of the election officers. The election officers shall conform their procedure to that specified in the certificate to which they must certify. The certificate and attest of the election officers shall appear on each return sheet.

Any public officer, or any election officer upon whom any duty is imposed by this act, who shall wilfully neglect or omit to perform any such duties, or do any act prohibited herein for which punishment is not otherwise provided herein, shall, upon conviction, be imprisoned in the state prison for not less than one year or more than three years, or be fined in any sum not exceeding one thousand dollars, or may be punished by both such imprisonment and fine.

If from any cause a machine becomes unworkable, or unfit for use, voting shall proceed as in cases where machines are not used, and the county clerk must furnish each voting place with the supply of ballots and other supplies required by the election laws, to be used in case of emergency herein provided for, and in such case only.

23-1702. (775) Mode of canvassing. The canvass must commence by a comparison of the poll-lists from the commencement, and the correction of any mistakes that may be found therein, until they are found to agree. The judges must then take out of the box the ballots unopened except to ascertain whether each ballot is single, and count the same to determine whether the number of ballots corresponds with the number of names on the poll-lists. If two or more ballots are found so folded together as to present the appearance of a single ballot, they must be laid aside until the count of the ballots is completed, and if, on comparing the count with the poll-lists and further considering the appearance of such ballots, a majority of the judges are of the opinion that the ballots thus folded together were voted by one elector, they must be rejected; otherwise they must be counted.

23-1703. (776) Where ballots are in excess of names on check-list. If the ballots then are found to exceed in number the whole number of names on the poll-list, they must be placed in the box (after being purged in the manner above stated), and one of the judges must, publicly, and without

looking in the box, draw therefrom singly and destroy unopened so many ballots as are equal to such excess. And the judges must make a record on the poll-list of the number of ballots so destroyed.

History: Ap. p. Sec. 24, p. 380, Bannack Stat.; re-en. Sec. 24, p. 464, Cod. Stat. 1871; re-en. Sec. 23, p. 76, L. 1876; re-en. Sec. 537, 5th Div. Rev. Stat. 1879; re-en. Sec. 1029, 5th Div. Comp. 23-1704. (777) What ballots must be counted. In the canvass of the votes, any ballot which is not indorsed as provided in this code by the official stamp is void and must not be counted, and any ballot or parts of a ballot from which it is impossible to determine the elector's choice is void and must not be counted; if part of a ballot is sufficiently plain to gather therefrom the elector's intention, it is the duty of the judges of election to count such part.

History: En. Sec. 30, p. 143, L. 1889; re-en. Sec. 1403, Pol. C. 1895; re-en. Sec. 575, Rev. C. 1907; re-en. Sec. 777, R. C. M. 1921.

23-1705. (778) Ascertaining the number of votes cast and persons voted for. The ballots and poll-lists agreeing or being made to agree, the judges must then proceed to count and ascertain the number of votes cast for each person voted for. In making such count the ballots must be opened singly by one of the judges, and the contents thereof, while exposed to the view of the other judges, must be distinctly read aloud by the judge who opens the ballot. As the ballots are read, each clerk must write at full length on a sheet to be known as a tally-sheet the name of every person voted for and of the office for which he received votes, and keep by tallies on such sheet the number of votes for each person. The tally-sheets must then be compared and their correctness ascertained, and the clerks must, under the supervision of the judges, immediately thereafter set down, at length and in their proper places in the poll-books, the names of all persons voted for, the offices for which they respectively received votes, and the total number of votes received by each person, as shown by the tally-sheets. No ballot or vote rejected by the judges must be included in the count provided for in this section.

History: Ap. p. Sec. 25, p. 380, Bannack Stat.; re-en. Sec. 25, p. 464, Cod. Stat. 1871; re-en. Sec. 24, p. 76, L. 1876; re-en. Sec. 538, 5th Div. Rev. Stat. 1879; re-en. Sec. 1030, 5th Div. Comp. Stat. 1887; amd. Sec. 1404, Pol. C. 1895; re-en. Sec. 576, Rev. C. 1907; re-en. Sec. 778, R. C. M. 1921.

23-1706. (779) Ballots to be strung and inclosed in sealed envelopes. The ballots, as soon as read or rejected for illegality, must be strung upon a string by one of the judges, and must not thereafter be examined by any person, but must, as soon as all legal ballots are counted, be carefully sealed in a strong envelope, each member of the judges writing his name across the seal.

History: En. Sec. 1405, Pol. C. 1895; re-en. Sec. 577, Rev. C. 1907; re-en. Sec. 779, R. C. M. 1921. Cal. Pol. C. Sec. 1259.

23-1707. (780) Rejected ballots. Any ballot rejected for illegality must be marked by the judges, by writing across the face thereof "Rejected on the ground of" filling the blank with a brief state-

ment of the reasons for the rejection, which statement must be dated and signed by a majority of the judges.

History: En. Sec. 1406, Pol. C. 1895; re-en. Sec. 578, Rev. C. 1907; re-en. Sec. 780, R. C. M. 1921.

23-1708. (781) Poll-books—signing and certification of. As soon as all the votes are counted and the ballots sealed up, the poll-books must be signed and certified to by the judges and clerks of election substantially as in the form in section 23-702.

History: En. Sec. 1407, Pol. C. 1895; re-en. Sec. 579, Rev. C. 1907; re-en. Sec. 781, R. C. M. 1921.

23-1709. (782) Election returns by judges—how made. The judges must, before they adjourn, inclose in a strong envelope, securely sealed and directed to the county clerk, the check-lists, all certificates of registration received by them, the lists of the persons challenged, both of the poll-books, both of the tally-sheets, and the official oaths taken by the judges and clerks of election; and must inclose in a separate package or envelope, securely sealed and directed to the county clerk, all unused ballots with the numbered stubs attached; and must also inclose in a separate package or envelope, securely sealed and directed to the county clerk, all ballots voted, including all voted ballots which, for any reason, were not counted or allowed, and all detached stubs from ballots voted, and endorse on the outside thereof "ballots voted." Each of the judges must write his name across the seal of each of said envelopes or packages. The ballot box must be returned to the county clerk.

History: Ap. p. Sec. 1408, Pol. C. 1895; 1921; amd. Sec. 1, Ch. 112, L. 1937; amd. amd. Sec. 6, Ch. 88, L. 1907; Sec. 580, Sec. 1, Ch. 65, L. 1943; amd. Sec. 1, Ch. 23, Rev. C. 1907; re-en. Sec. 782, R. C. M. L. 1945.

23-1710. (784) Custody of election returns. The sealed envelope containing the check-lists, certificates of registration, poll-book, tally-sheets, oaths of election officers, also the package or envelope containing the voted ballots and detached stubs and the package or envelope containing the unused ballots, must, before the judges adjourn, be delivered to one of their number, to be determined by lot, unless otherwise agreed upon.

History: Ap. p. Sec. 1410, Pol. C. 1895; amd. Sec. 2, Ch. 23, L. 1945. Cal. Pol. C. amd. Sec. 7, Ch. 88, L. 1907; Sec. 582, Sec. 1263. Rev. C. 1907; re-en. Sec. 784, R. C. M. 1921;

23-1711. (785) Delivery to county clerk. The judges to whom such packages are delivered must, within twenty-four hours, deliver them, without their having been opened, to the county clerk, or convey the same, unopened, to the postoffice nearest the house in which the election for such precinct was held, and register and mail the same, duly directed to the said clerk.

History: En. Sec. 1411, Pol. C. 1895; re-en. Sec. 583, Rev. C. 1907; re-en. Sec. 785, R. C. M. 1921.

23-1712. (786) Filing of ballots and stubs by county clerk. Upon the receipt of the packages or envelopes by the county clerk, he must file the package or envelope containing the ballots voted and detached stubs and

the package or envelope containing the unused ballots, and must keep them unopened and unaltered for twelve (12) months, after which time, if there is no contest commenced in some tribunal having jurisdiction about such election, he must burn such packages, or envelopes, without opening or examining their contents.

History: Ap. p. Sec. 1412, Pol. C. 1895; amd. Sec. 3, Ch. 23, L. 1945. Cal. Pol. C. amd. Sec. 8, Ch. 88, L. 1907; Sec. 584, Rev. Sec. 1265. C. 1907; re-en. Sec. 786, R. C. M. 1921;

23-1713. (787) Keeping returns pending contest. If, within twelve months, there is such a contest commenced, he must keep the packages of envelopes unopened and unaltered until it is finally determined, when he must, as provided in the preceding section, destroy them, unless the same are by virtue of an order of the tribunal in which the contest is pending, brought and opened before it to the end that evidence may be had of their contents, in which event the packages or envelopes and their contents are in the custody of such tribunal.

History: Ap. p. Sec. 1413, Pol. C. 1895; C. 1907; re-en. Sec. 787, R. C. M. 1921. amd. Sec. 9, Ch. 88, L. 1907; Sec. 585, Rev. Cal. Pol. C. Sec. 1266.

23-1714. (788) Disposition of returns prior to canvass of vote. The envelopes containing the check-lists, certificates of registration, poll-book, tally-sheets, and oaths of election officers must be filed by the county clerk and be kept by him, unopened and unaltered, until the board of county commissioners meet for the purpose of canvassing the returns, when he must produce them before such board, where the same shall be opened.

History: Ap. p. Sec. 1414, Pol. C. 1895; amd. Sec. 10, Ch. 88, L. 1907; Sec. 586, Rev. C. 1907; re-en. Sec. 788, R. C. M. 1921.

23-1819. Penalties.

23-1801. (790) Meeting of county commissioners to canvass returns. The board of county commissioners of each county is ex-officio a board of county canvassers for the county, and must meet as the board of county canvassers at the usual place of meeting of the county commissioners within ten days after each election, at twelve o'clock noon, to canvass the returns.

History: En. Sec. 2, p. 299, L. 1891; 588, Rev. C. 1907; re-en. Sec. 790, R. C. M. amd. Sec. 1430, Pol. C. 1895; re-en. Sec. 1921. Cal. Pol. C. Sec. 1278.

23-1802. (791) In case of absence certain county officers to act. If, at the time and place appointed for such meeting, one or more of the county commissioners should not attend, the place of the absentees must be supplied by one or more of the following county officers, whose duty it is to act in the order named, to-wit, the treasurer, the assessor, the sheriff, so that the board of county canvassers shall always consist of three acting members. The clerk of the board of county commissioners is the clerk of the board of county canvassers.

History: Ap. p. Sec. 2, p. 299, L. 1891; 589, Rev. C. 1907; re-en. Sec. 791, R. C. M. amd. Sec. 1431, Pol. C. 1895; re-en. Sec. 1921.

23-1803. (792) Canvass to be postponed, when. If, at the time of meeting, the returns from each precinct in the county in which polls were opened have been received, the board of county canvassers must then and there proceed to canvass the returns; but if all the returns have not been received, the canvass must be postponed from day to day until all of the returns are received, or until seven postponements have been had. If the returns from any election precinct have not been received by the county clerk within seven days after any election, it is his duty forthwith to send a messenger to the judges for the missing returns, who must procure such returns from the judges, or any of them, and return the same to the county clerk. Such messenger must be paid out of the county treasury fifteen cents per mile in going and coming. If it appears to the board, by evidence, that the polls were not opened in any precinct, and no returns have been received therefrom, the board must certify to the same, and file such certificate with the county clerk, with the evidence, if any, who must enter the same in the minutes and in the statement mentioned in section 23-1805.

History: Ap. p. Sec. 3, p. 300, L. 1891; 590, Rev. C. 1907; re-en. Sec. 792, R. C. M. amd. Sec. 1432, Pol. C. 1895; re-en. Sec. 1921. Cal. Pol. C. Sec. 1280.

23-1804. (793) Canvass to be public. The canvass must be made in public by opening the returns and determining therefrom the vote of such county or precinct for each person voted for, and for and against each proposition voted upon at such election, and declaring the result thereof. In canvassing, no returns must be rejected if it can be ascertained therefrom the number of votes cast for each person. The fact that the returns do not show who administered the oath to the judges or clerks of election, or a failure to fill out all the certificates in the poll-books, or to do or perform any other act in making up the returns, that is not essential to determine for whom the votes were cast, is not such an irregularity as to

entitle the board to reject the same, but they must be canvassed as other returns are.

History: En. Secs. 4 and 5, p. 301, re-en. Sec. 591, Rev. C. 1907; re-en. Sec. L. 1891; re-en. Sec. 1433, Pol. C. 1895; 793, R. C. M. 1921. Cal. Pol. C. Sec. 1281.

23-1805. (794) Statement of the result to be entered of record. The clerk of the board must, as soon as the result is declared, enter on the records of such board a statement of such result, which statement must show:

1. The whole number of votes cast in the county.
2. The names of the persons voted for and the propositions voted upon.
3. The office to fill which each person was voted for.
4. The number of votes given at each precinct to each of such persons, and for and against each of such propositions.
5. The number of votes given in the county to each of such persons, and for and against each of such propositions.

History: En. Sec. 6, p. 301, L. 1891; 592, Rev. C. 1907; re-en. Sec. 794, R. C. M. re-en. Sec. 1434, Pol. C. 1895; re-en. Sec. 1921. Cal. Pol. C. Sec. 1282.

23-1806. (795) Plurality to elect. The person receiving at any election the highest number of votes for any office to be filled at such election is elected thereto.

History: En. Sec. 1170, Pol. C. 1895; re-en. Sec. 456, Rev. C. 1907; re-en. Sec. 795, R. C. M. 1921. Cal. Pol. C. Sec. 1066.

23-1807. (796) Duty of canvassing board—tie vote. The board must declare elected the person having the highest number of votes given for each office to be filled by the votes of a single county or a subdivision thereof, and in the event of two or more persons receiving an equal and sufficient number of votes to elect to the office of state senator, or member of the house of representatives, it shall be the duty of the board, under the direction of and in the presence of the district court, or judge thereof, to recount the ballots cast for such persons, and the board shall declare elected the person or persons shown by the recount to have the highest number of votes. If such recount shall show that two or more such persons receive an equal and sufficient number of votes to elect to the same office, then, and in that event, the board shall certify such facts to the governor.

History: En. Sec. 6, p. 302, L. 1891; 593, Rev. C. 1907; amd. Sec. 1, Ch. 84, re-en. Sec. 1435, Pol. C. 1895; re-en. Sec. L. 1909; re-en. Sec. 796, R. C. M. 1921.

23-1808. (797) Certificates issued by the clerk. The clerk of the board of county commissioners must immediately make out and deliver to such person (except to the person elected district judge) a certificate of election signed by him and authenticated with the seal of the board of county commissioners.

History: En. Sec. 7, p. 302, L. 1891; 594, Rev. C. 1907; re-en. Sec. 797, R. C. M. re-en. Sec. 1436, Pol. C. 1895; re-en. Sec. 1921. Cal. Pol. C. Sec. 1284.

23-1809. (798) Returns for joint members of house of representatives. When there are members of the house of representatives voted for by the electors of a district composed of two or more counties, each of the clerks of the counties composing such district, immediately after making out the

statement specified in section 23-1805, must make a certified abstract of so much thereof as relates to the election of such officers.

History: En. Sec. 8, p. 302, L. 1891; 595, Rev. C. 1907; re-en. Sec. 798, R. C. M. re-en. Sec. 1437, Pol. C. 1895; re-en. Sec. 1921.

23-1810. (799) How transmitted. The clerk must seal up such abstract, indorse it "Election Returns," and without delay transmit the same by mail to the clerk of the board of commissioners of the county which stands first in alphabetical arrangement in the list of counties composing such district.

History: En. Sec. 1438, Pol. C. 1895; re-en. Sec. 596, Rev. C. 1907; re-en. Sec. 799, R. C. M. 1921. Cal. Pol. C. Sec. 1286.

23-1811. (800) Duty of clerk receiving such returns. The clerk to whom the returns of a district are made must, on the twentieth day after such election, or sooner, if the returns from all the counties in the district have been received, open in public such returns, and from them and the statement of the vote for such officers in his own county:

1. Make a statement of the vote of the district for such officers, and file the same, together with the returns, in his office.

2. Transmit a certified copy of such statement to the secretary of state.

3. Make out and deliver or transmit by mail to the persons elected a certificate of election (unless it is by law otherwise provided).

History: Ap. p. Sec. 9, p. 303, L. 1891; 597, Rev. C. 1907; re-en. Sec. 800, R. C. M. amd. Sec. 1439, Pol. C. 1895; re-en. Sec. 1921. Cal. Pol. C. Sec. 1287.

23-1812. (801) State returns, how made. When there has been a general or special election for officers voted for by the electors of the state at large or for judicial officers (except justices of the peace), each clerk of the board of county canvassers, so soon as the statement of the vote of his county is made out and entered upon the records of the board of county commissioners, must make a certified abstract of so much thereof as relates to the votes given for persons for said offices to be filled at such election.

History: En. Sec. 10, p. 303, L. 1891; 598, Rev. C. 1907; re-en. Sec. 801, R. C. M. amd. Sec. 1440, Pol. C. 1895; re-en. Sec. 1921. Cal. Pol. C. Sec. 1288.

23-1813. (802) How transmitted. The clerk must seal up such abstract, indorse it "Election Returns," and without delay transmit it by mail, registered, to the secretary of state.

History: En. Sec. 11, p. 303, L. 1891; 599, Rev. C. 1907; re-en. Sec. 802, R. C. M. re-en. Sec. 1441, Pol. C. 1895; re-en. Sec. 1921. Cal. Pol. C. Sec. 1289.

23-1814. (803) State canvassers, composition and meeting of board. Within thirty days after the election and sooner if the returns be all received, the state auditor, state treasurer, and attorney-general, who constitute a board of state canvassers, must meet in the office of the secretary of state and compute and determine the vote, and the secretary of state, who is secretary of said board, must make out and file in his office a statement thereof and transmit a copy of such statement to the governor.

History: En. Sec. 14, p. 304, L. 1891; 1921; amd. Sec. 1, Ch. 55, L. 1949. Cal. amd. Sec. 1442, Pol. C. 1895; re-en. Sec. Pol. C. Sec. 1290. 600, Rev. C. 1907; re-en. Sec. 803, R. C. M.

the fifth day before the day designated for the meeting of the board of state canvassers, the secretary of state must forthwith send a messenger to the clerk of the board of county canvassers of the delinquent county, and such clerk must furnish the messenger with a certified copy of the statement mentioned in section 23-1805. The person appointed is entitled to receive as compensation five dollars per day for the time necessarily consumed in such service, and the traveling expenses necessarily incurred. His account therefor, certified by the secretary of state, after being allowed by the board of examiners, must be paid out of the general fund of the state treasury.

23-1816. (805) Governor to issue commissions. Upon receipt of such copy mentioned in section 23-1814, the governor must issue commissions to the persons who from it appear to have received the highest number of votes for offices to be filled at such election. In case a governor has been elected to succeed himself, the secretary of state must issue the commission.

23-1817. (806) Defect in form of returns to be disregarded. No declaration of the result, commission, or certificate must be withheld on account of any defect or informality in the return of any election, if it can with reasonable certainty be ascertained from such return what office is intended and who is elected thereto.

History: En. Sec. 17, p. 305, L. 1891; 606, Rev. C. 1907; re-en. Sec. 806, R. C. M. re-en. Sec. 1448, Pol. C. 1895; re-en. Sec. 1921. Cal. Pol. C. Sec. 1297.

(1) If said application asks for a recount of the votes cast in more than one election precinct, but the grounds thereof are not sufficient for a recount in all, the court shall

order a recount as to only such precinct as to which there are sufficient grounds stated and shown. The court in its order shall determine the probable expense of making such recount, and the applicant or applicants asking for such recount shall deposit with the said board the amount so determined and specified in said order, in cash; and if it be ascertained by said recount that the applicant or applicants have been elected to said office, then and in that event all money so deposited with said board shall be returned to the said applicant or applicants, but if an applicant as a result of said recount is found not to have been elected, then if the expense of making said recount shall be greater than the estimated cost thereof said applicants shall pay said excess, but if less than the estimated cost, then the difference shall be refunded to the applicant or applicants. The expense of making said recount as herein provided, shall be the salary of the members of the canvassing board for the period of time required to make such recount, and the salary of two clerks at the rate of not more than \$8.00 per day each.

(2) If more than one candidate makes application for a recount of the votes cast at said election, the court may, in its discretion, consider such applications separately or together, and may make separate or joint orders in relation thereto, and apportion the expense between said applicants. The board of canvassers, in recounting said ballots cast in said election, shall count the votes cast in the respective precincts as to which a recount is ordered for the several candidates in whose behalf a recount is ordered, at the same time, in the following manner:

At the completion of said recount the tally sheets must then be compared and their correctness ascertained, and the total number of votes cast for any candidate determined. If, on such recount, the votes cast for any candidate who makes such application shall be either more or less than the number of votes

shown upon the official returns for that person and office, then the original returns shall be thereupon by the clerk of said board of canvassers, and under its direction, corrected so as to state the number of votes ascertained on such recount.

(4) The said board of canvassers shall thereupon cause its clerk to enter on the records of said board the result of said election as determined by such recount, and the clerk of said board shall thereupon make out and deliver certificate of election in conformity to the result ascertained by said recount.

(5) The candidate who as a result of the original or first canvass of the returns by the board of canvassers was found to be elected, shall be served with a copy of the application, and shall be given an opportunity to be heard thereon, and he shall be permitted to be present and to be represented at any recount ordered.

(6) When said recount of the ballots in any election precinct has been finished, the ballots shall then be again enclosed in the same package or envelope in which they had been placed by the judges of election, and in the presence and view of the county clerk and the members of the board of canvassers the said packages or envelopes shall again be closed and sealed, and then again delivered into the custody of the county clerk.

At every election held under this act, a poll-list shall be kept by the judges and clerk at each polling-place, and immediately after the close of the polls the judges shall count the ballots, and if there be more ballots than votes cast the judges must draw by lot from the ballots, without seeing them, sufficient number of ballots to make the ballots remaining correspond with the number of votes cast. The clerk shall write down in alphabetical order in a poll-book provided for that purpose the name of every person voting at the time he deposits his ballot. There shall also be provided a tally-list for each polling-place; after the ballots have been counted and made to agree with the poll-list the judges shall proceed to count them. The clerk shall enter in the tally-list the name of every person voted for as trustee, and the term, and tally opposite his name the number of votes cast for him, and at the end thereof set down in a column provided for that purpose the whole number of votes he received. The judges and clerk shall sign a certificate to said tally-list, setting forth the whole number of votes cast for each person or trustee, designating the term, and they shall verify the same as being correct, to the best of their knowledge, before an officer authorized to administer oaths. No informality in such certificate shall vitiate the election, if the number of votes received for each person can reasonably be ascertained from said tally-list. Said books and tally-lists shall be returned to the board of trustees of the district, who shall canvass the vote and cause the clerk of the district to issue a certificate of election to the person or persons elected, designating their term, a copy of which must be forwarded to the county superintendent of schools. BUDGET SYSTEM

Section 75-1723. Fixing tax levy.

75-1723. (1019.19) **Fixing tax levy.** The county superintendent of schools, as clerk of the school budget board, shall, when the board of county commissioners meet on the second Monday in August for the purpose of fixing tax levies, lay before such board the elementary school budgets for all school districts in the county, as finally adopted and approved by the school budget board, and it shall be the duty of the county commissioners of each county in the state to fix and levy a tax of five (5) mills on the dollar of the taxable value of all school districts within the county, provided that if a levy of less than five (5) mills will be sufficient to meet the approved budget of any school district, then such lesser levy shall be made, but no school district levying less than five (5) mills shall receive any apportionment from the state public school equalization fund.

It shall further be the duty of the county commissioners of each county in the state to fix and levy a tax for each school district in the county within the limitations prescribed by this act in such number of mills as will produce the amount shown by the final budget to be raised by tax levy which may also include a reserve fund, not to exceed thirty-five per cent (35%) of the amount appropriated in the final and approved budget for the then current school year, for the purpose of maintaining the elementary and high school of the district from July 1 to November 30 of the next succeeding year; provided that such school district tax plus federal reimbursements in lieu of taxes shall not, unless approved by a vote of the taxpaying electors, exceed the rate of levy required to produce an amount equal to the foundation program and the additions thereto, within the limitations of thirty per cent (30%), hereinbefore specified, and provided, further, that such last mentioned additional school district tax shall not, in any event, exceed fifteen (15) mills unless the excess above said ten mill limitation shall first have been authorized at an election held in accordance with the general school laws pertaining to the voting of additional levies, save and except that in any district wherein more than fifteen (15) mills is required to reach the thirty per cent (30%) limit above the foundation program, such increase above the fifteen (15) mill limit may be financed by federal reimbursements in lieu of taxes without a vote of the taxpayers up to the thirty per cent (30%) limit above the foundation program, if the board of trustees of such district shall file with its final budget a certificate approved by the county superintendent of schools setting forth (a) the federal and state requirements which make such increase above the fifteen

(15) mills necessary and (b) the amount of the increase in excess of fifteen (15) mills which is necessary to meet such federal and state requirements.

CHAPTER 18

SCHOOL DISTRICTS

Section 75-1802. Classifications of districts—number of trustees.

75-1813. Consolidated districts—procedure in event of consolidation—bonded debts.

75-1818. Dissolution of joint school districts.

75-1802. (1021) Classifications of districts—number of trustees. All districts having a population of eight thousand (8000) or more shall be districts of the first class. All districts having a population of one thousand (1000) or more, and less than eight thousand (8,000) shall be districts of the second class, and all districts having a population of less than one thousand (1,000) shall be districts of the third class. In districts of the first class the number of trustees shall be seven (7); in districts of the second class the number of trustees shall be five (5), and in districts of the third class the number of trustees shall be three (3).

Whenever the population of any school district shall increase beyond or decrease below the number required as specified above for a certain class of school district as determined by the federal census next preceding, the county superintendent of schools shall declare such school district to be changed to the proper class. The county superintendent of schools shall take the necessary steps to provide that at the next school election to elect the proper number of school trustees as designated above and to fill all vacancies due to any change of classification. Provided however that the provisions of this act shall not affect the terms of trustees heretofore elected.

History: En. Sec. 401, Ch. 76, L. 1913; re-en. Sec. 1021, R. C. M. 1921; amd. Sec. 1, Ch. 85, L. 1943.

75-1813. (1034) Consolidated districts—procedure in event of consolidation—bonded debts. (1) Any two or more school districts lying in one county may be consolidated, either by the formation of a new district, or by the annexation of one or more districts to an existing district, as hereinafter provided.

When severally the boards of trustees of two (2) or more school districts, in regular meeting called for the publicly announced purpose of considering plans for consolidation of said two (2) or more districts and by majority vote of each board of trustees acting separately shall ask for district consolidation of each and all such petitioning boards, the county superintendent of schools having jurisdiction of such districts, within not less than twenty (20) nor more than thirty (30) days, shall cause a ten (10) days' posted notice to be given by the clerk in each district seeking election on such proposed consolidation of districts. Such notice is to be posted in three (3) public places in each such district and in one or more newspapers

of the district or county, if there be such, giving the time and place or places specified in each notice to vote on the question of consolidation.

Consolidation of any two (2) or more school districts lying in one county may also be effected by the people of the districts concerned whenever a petition shall be directed to and received by the county superintendent of schools, and shall in each such district seeking consolidation be signed by not fewer than twenty per cent (20%) of the qualified electors in such district. The county superintendent shall within not less than twenty (20), nor more than thirty (30) days, cause a ten (10) days' posted notice to be given by the clerk in each district seeking election on such proposed consolidation of districts. Such notice is to be posted in three (3) public places in each such district, and in one or more newspapers of the district or county, if there be such, giving the time and place or places specified in each notice to vote on the question of consolidation.

(2) The votes at such election shall be by ballot, which shall read "For consolidation" or "Against consolidation." The presiding officer at such election shall, within ten (10) days thereafter, certify the result of the vote to the county superintendent of the county in which the district lies.

(3) If the majority of the votes cast in each district holding such election be for consolidation, it carries, and the superintendent, within ten (10) days thereafter, shall make proper orders to give effect to such vote, and shall thereafter transmit a copy thereof to the county clerk and recorder and to the clerk of each district affected. If the order be for the formation of a new district, it shall specify the name and number of such district, and the county superintendent shall appoint three (3) trustees to serve until the first Saturday in April succeeding.

(4) At the regular election succeeding there shall be elected by the regularly qualified electors three (3) trustees, one of whom shall serve for one (1) year, one for two (2) years, and one for three (3) years. The election of trustees and terms shall be the same as for other districts under the general school laws.

(5) When, in the interest of reducing cost of operation or improving the school service for pupils, a board of trustees, of a third class district, shall by majority vote of its members or at the request of twenty per cent (20%) of the qualified electors of the districts indicated by a petition, ask the county superintendent of schools to annex the territory and property of such third class district to any second or first class district in its entirety, or proportionately to any number of first or second class districts as the board resolution or petition requests, the county superintendent shall, upon and approving vote of the trustees of the district with which the annexation is sought, authorize an election on such annexation within not less than twenty (20) nor more than thirty (30) days. Notice of such election shall be given in the same manner and the same general plan for balloting shall be utilized on the question of district annexation by the electors of the petitioning district or districts as the case may be that is hereby authorized for district consolidation.

(6) The ballot shall in this case be "For annexation" and "Against annexation." Should the action of the boards of trustees approving the plan of annexation be approved by majority vote of electors of the district

or districts seeking election on the issue then the consolidation sought shall be effected by the county superintendent of schools within ten (10) days after such election. In the event of a disapproving vote by majority of votes cast by either of such voting districts, the proposed annexation shall fail.

(7) In case of annexation of any district or districts to any existing district, as herein provided, the proper officers of the annexed districts, within ten (10) days from the receipt of a copy of such order, shall turn over to the proper officers of the district to which they are annexed, all records, funds, and effects of such annexed district. In case of the formation of a new district, the proper officers of the discontinued districts in like manner, within ten (10) days after the organization of the new district, shall turn over the records, funds, and effects of such old districts to the proper officers of the new districts.

(8) In case of consolidation of districts by annexation, the title to school houses and sites of the separate districts shall vest in the new consolidated district. The officers of the first or second class district involved shall continue to hold office under the consolidated district until the end of the terms for which they were duly elected and their successors shall be regularly elected as provided by law.

Consolidated school districts shall be governed by the general school laws of the state.

(9) Bonded indebtedness of any district merged by consolidation or annexation shall remain the indebtedness and obligation of the district which originally incurred such bonded indebtedness and be paid by levies imposed upon property therein.

History: En. Sec. 407, Ch. 76, L. 1913; 1951; amd. Sec. 1, Ch. 23, L. 1953. Cal. re-en. Sec. 1034, R. C. M. 1921; amd. Sec. 1, Pol. C. Sec. 1577. Ch. 201, L. 1943; amd. Sec. 1, Ch. 32, L.

75-1818. (1037.1) Dissolution of joint school districts. A joint school district may be dissolved in the following manner:

Whenever the majority of the qualified electors residing in that portion of a joint district situated in one county presents a petition to the county superintendent of schools of the same county praying for a dissolution of the district and setting forth briefly the reason therefor, such county superintendent shall immediately give notice thereof to all other county superintendents of counties contributing territory to the joint district, and shall within twenty (20) days from the date of the receipt of such petition call an election and fix a date for the holding of same, and shall notify the clerk of the district to post three notices in the territory of each county composing the district. Notices must be posted in the most conspicuous places in the territory and must be posted at least fifteen days preceding the election. Such notices must specify the purpose and the date and hour when the polls will be opened and the place at which the election will be held. Separate elections must be held in each portion of the district lying in different counties on the same date and hour and be conducted in the same manner as general school elections. Each county superintendent of schools must appoint three judges of election for the territory in his or her county and the result of the election must be certified

by the judges to their respective county superintendents. The county superintendents shall meet within five days after the election and determine the total vote cast throughout the district. If a majority of all votes cast in the district are for dissolution, the district must be dissolved; or in the event that two-thirds ($\frac{2}{3}$) of the votes cast in the territory of any county favor dissolution the district may be dissolved as to such territory; provided both superintendents of the counties affected are agreed that such dissolution will not entail an undue hardship to either part of such joint district, and that there is no good and sufficient reason why such dissolution should not be made. In case of the failure of a two-thirds ($\frac{2}{3}$) majority in any portion of the district, as herein provided, or a failure of the majority of the entire district to vote for dissolution, the district shall not be dissolved and no election thereon can be held within three (3) years thereafter. If dissolution carries it shall take effect at the end of the current school year.

The board of trustees shall have the power to purchase, or rent and provide for the upkeep, care and operation of school busses; or to contract and pay for the transportation of eligible pupils, such contracts to run for terms not to exceed five (5) years; and provided further, that each district owning a school bus or busses may levy a sufficient number of mills to create a reserve of not to exceed twelve and one-half per cent ($12\frac{1}{2}\%$) per year of the original cost of the bus or busses for which the reserve is created; said fund to be kept separate and apart from all other funds, and to be used only for the purchase of the bus or busses needed to replace the bus or busses for which said reserve was created, unless authorized by a majority of the votes cast by the qualified electors of the district at an election called for that purpose.

75-4403. Approval of superintendent of public instruction.

75-4404. Election.

75-4405. Establishment of junior college upon approval of electors.

75-4401. Definition of terms. The word "superintendent" as used in this act shall mean the superintendent of a district high school and the word "principal" as used in this act, means the principal of a county high school organized under the laws of the state of Montana. A "junior college" is hereby defined to be a public school established as provided in this act, in connection with accredited high schools for the purpose of providing one or more two year courses beyond those of the four year high school.

History: En. Sec. 1, Ch. 158, L. 1939.

75-4402. Method of establishment. County high school boards or district high school boards operating accredited schools shall have authority to establish and maintain in such schools in the manner provided in this act, a department of junior college work, to consist of not more than two years work beyond the four year high school course. Whenever a county high school board or a district high school board operating an accredited high school shall receive a petition in writing signed by not less than twenty-five per cent of the registered voters of the county, in case the petition be filed with the county high school board, or by not less than twenty-five per cent of the registered voters of the school district in case such petition is filed with a district school board, requesting the establishment in such school of a department of junior college work, the board shall spread said petition upon its minutes. If said petition is found by the board to be signed by the requisite number of qualified voters, as disclosed by the registration lists for the last preceding election, the board shall not later than its next regular meeting, communicate to the state superintendent of public instruction the fact of the filing of such petition together with such pertinent facts and information as the board may have regarding the desirability of establishing such junior college department, together with the recommendations of the board relative to said matter. The board may also on its own initiative, and without the filing of any petition, adopt and spread upon its minutes a resolution requesting the establishment of such junior college and shall submit the same to the state superintendent of public instruction for his approval.

History: En. Sec. 2, Ch. 158, L. 1939.

75-4403. Approval of superintendent of public instruction. The state superintendent of public instruction shall consider all such petitions submitted by county or district high school boards and may, if he deem it advisable, conduct an independent investigation with a view to determining the desirability of granting such petition. If the superintendent of public instruction shall approve of the granting of such petition, he shall notify the county or district high school boards of his approval of the petition. The county or district high school board shall thereupon submit to the registered voters of the county or district the question whether or not a junior college shall be established in their said county or district high school.

History: En. Sec. 3, Ch. 158, L. 1939.

75-4404. Election. In any election held under the terms of this act, all qualified voters of the county or district shall be entitled to vote. All

such elections shall be called, noticed, held, canvassed and returned in the manner provided by law for the submission in such county or school district of the question of a bond issue for the purpose of building, enlarging, altering or acquiring by purchase a school house and the purchase of necessary lands therefor.

History: En. Sec. 4, Ch. 158, L. 1939.

75-4405. Establishment of junior college upon approval of electors. If a majority of the votes cast at any election provided for in this act be in favor of the establishment of a junior college, the county or district high school board shall proceed to establish such junior college in the following manner: Not later than September first of the first year in which such junior college is proposed to be established, the county or district high school board shall apply to the superintendent of public instruction for permission to open such junior college, and shall accompany such application with a full statement of the curricula to be maintained and an application on behalf of the high school to be classified as a junior college. If the state superintendent of public instruction approves the application, he shall so notify the state board of education, which shall finally approve or disapprove of the establishment of such proposed junior college, and shall promptly notify the county or district high school board of its action. Upon receiving the final approval of the state board of education, the county or district high school boards shall have authority to proceed with the establishment and operation of such junior college. County high school boards or district high school boards may suspend the operation of a junior college, when established in the district or county, or may abolish a junior college when such board deems such discontinuance or abolishment to be for the best interests of the pupils and community. The above action may be taken by the high school board upon its own volition or after a petition has been presented to it signed by twenty per cent (20%) of the qualified electors of the district; provided, however, that the matter of discontinuance for one or more years, or of abolition of the junior college, shall be put to a vote of the qualified electors of the district when so requested in a petition signed by twenty-five per cent (25%) of such electors.

History: En. Sec. 5, Ch. 158, L. 1939;

CHAPTER 45

HIGH SCHOOL BUDGET ACT

Section 75-4516.1. Levy of taxes.

75-4516.1. Levy of taxes. It shall be the duty of the county commissioners of each county in the state to levy an annual special tax for high schools of ten (10) mills on the dollar of the taxable value of all taxable property within the county, which levy shall be made at the time and in the manner provided by law for the levying of taxes for county purposes and which tax shall be collected by the county treasurer at the same time and in the same manner as state and county taxes are collected; provided that if a levy of less than ten (10) mills should be sufficient to meet the total of the

approved budgets of all school districts within the county, then such lesser levy shall be made, but no high school within a county levying less than ten (10) mills for high school purposes shall receive any apportionment from the state public school equalization fund.

If the revenues for the operation and maintenance of any high school, including the amount apportionable from said ten (10) mill special tax for high schools, shall be less than the foundation program of such high school and the approved additions thereto included in its budget, within the limitations hereinbefore specified, it shall be the further duty of the board of county commissioners to fix and levy a tax, in such number of mills as will produce the amount shown by the final budget to be raised by tax levy plus federal reimbursements in lieu of taxes, which tax shall, in the case of a county high school not located within a building district, be levied upon all property in the county, excepting the property of any district supporting a district high school, and shall, in the case of a county high school located within a high school building district, be levied upon all property in such building district and which tax shall, in the case of a district high school not located within a building district, be levied upon all property within the school district, and shall, in the case of a district high school located within a building district, be levied upon all property in such building district, provided, however, that such last mentioned additional tax shall not, in any event, exceed ten (10) mills unless the excess above said ten-mill limitation shall first have been authorized at an election held in accordance with the general school laws pertaining to the voting of additional levies, save and except that in any district wherein more than ten (10) mills is required to reach the permissive percentage limits, as set out in section 75-4518.1, above the foundation program, such increase above the ten (10) mill limit may be financed by federal reimbursements in lieu of taxes without a vote of the taxpayers up to the above mentioned percentage limits above the foundation program, if the board of trustees of such district shall file with its final budget a certificate approved by the county superintendent of schools setting forth (a) the federal and state requirements which make such increase above the ten (10) mills necessary and (b) the amount of the increase in excess of ten (10) mills which is necessary to meet such federal and state requirements.

HIGH SCHOOL DISTRICTS—PUBLIC WORKS

- Section 75-4601. High school trustees may undertake public works program—additional trustees—division of taxable valuation—commencement of proceedings.
- 75-4602. Commission may divide county into high school districts.
- 75-4607. Alteration of boundaries—re-division—limitation.
- 75-4609. Special tax levy—election.
- 75-4610. Notice and conduct of election.
- 75-4611. Approval of tax—other special levies not submitted.

75-4601. High school trustees may undertake public works program—additional trustees—division of taxable valuation—commencement of pro-

ceedings. In any county having a high school the board of trustees of the county high school, if there be one, and the boards of trustees of any school districts maintaining district high schools, are hereby designated as the boards of trustees of the respective high school districts established under this act, provided that additional members may be elected to the board of trustees of districts maintaining district high schools in the number and manner as follows: When a majority of the boards of the common school districts in the high school district and the board of the district in which the high school is located so request. Such requests shall be directed to the county superintendent of schools, who shall proceed as directed in this act.

The taxable valuation of the district in which the high school is located shall be divided by the number of trustees on the high school board. In the case of a first class district this number shall be seven (7), for a second class district five (5), and for a third class district three (3). This figure obtained shall then be divided into the remaining valuation of the high school district, and the resulting number, to the closest whole number, shall be the number of additional board members to be elected; provided, that the number of these additional board members shall not exceed four (4) in districts of the first and second class or two (2) in districts of the third class.

(a) The additional members elected to the board of trustees of districts maintaining high schools shall be elected at a meeting of the trustees of all of the boards of trustees of the common school districts included within the boundaries of the high school district, which meeting shall be held on the fourth Saturday in April beginning with the year 1951. The members so elected shall hold office for a term of three (3) years and such meetings and elections shall be held every third year after the first meeting. The state superintendent of public instruction shall make all necessary rules and regulations for the conduct of said meeting and it shall be the duty of the county superintendent of schools to give written notice of the meeting by registered mail to each trustee not less than seven (7) days before such meeting. The additional trustees elected shall be elected from the trustees of the common school districts included within the high school district with the exception of the membership of the board of trustees of the school districts maintaining high schools.

(b) The additional members elected to the board of trustees of districts maintaining high schools, shall take office immediately after qualifying and shall participate on an equal basis with other members in all business transacted by the board of trustees pertaining to the high school maintained by said districts.

To effectuate the purpose of this act, the board of trustees of any high school district, as herein provided for, is hereby authorized to undertake a program of public works in the construction, improvement or repair of buildings, furnishing and equipping the same and purchasing the necessary land therefor, for the use of any or all high schools in such high school district, and to accept funds from the United States, its instrumentalities or any of its agencies in aid of any one or more of such purposes. Such proceedings may be commenced by resolution upon the part of such board

of trustees of such high school district of its own motion and without any petition being filed therefore, such proceedings may also be commenced on petition of thirty per cent (30%) of the qualified electors of the high school district. Upon presentation of this petition to the high school district board of trustees, the latter shall, within sixty (60) days take steps to present the matter asked for in the petition to a vote of the people of the high school district.

History: En. Sec. 1, Ch. 275, L. 1947;
amd. Sec. 1, Ch. 188, L. 1951.

75-4602. Commission may divide county into high school districts. In all counties having a high school, or high schools, a commission consisting of the county commissioners and the county superintendent of schools shall at the request of any high school board of trustees in the county, divide the entire county into and establish one (1) or more high school districts for the purpose of this act, after hearing; provided, that each high school district so formed must have one (1) or more operating, accredited high schools within its boundaries; provided, further, that both parts of a joint district maintaining a high school may be considered as maintaining an operating high school, and as such each part of the joint district may, together with one (1) or more adjacent common school districts whose pupils attend the high school in the joint district, be set aside as a high school district. Provided, that, such resulting high school district in the county where the joint district high school is not located, shall be responsible for its share of the joint district high school budgets as is arrived at by following the procedure outlined in section 75-3618, and shall also be considered as a single high school district with the high school district of the joint district, wherein the high school is located for purposes of bonding as provided in sections 75-4601—75-4605, and also for purposes of selecting additional trustees as provided for in section 75-4601. That the commission shall fix the time, date and place, and at such time, date and place hold a public hearing of the requested division of the county into high school districts, at which hearing any interested person may appear and be heard concerning the requested division. Written notice of such hearing shall be mailed by the county superintendent of schools to the chairman of each and every board of trustees of each and every school district in the county, and the chairman of the board of trustees of the county high school, stating the time, date and place of such public hearing, and shall be mailed not less than two (2) weeks preceding the date fixed for such hearing. The certificate of the county superintendent of schools filed with the commission reciting that said notices were mailed shall be conclusive.

The boundaries established by said commission shall be subject to the approval of the superintendent of public instruction.

If any high school district shall cease to have within its borders an operating, accredited high school, then it shall be the duty of the county superintendent of schools to consolidate and annex the common school districts comprising said high school district to one or more operating high school districts within a period of six (6) months after one (1) year of being declared non-operating or non-accredited; provided, that before

said county superintendent of schools may declare such a consolidation and annexation, he shall give the board of trustees of each of the common school districts within said high school district proposed to be consolidated and annexed twenty (20) days' notice of his intention so to do.

In creating such districts the commission shall give primary consideration to the factor of convenience of the patrons of the several schools. Common school districts may be grouped for the purpose of this act and when practicable high school districts shall be made up of contiguous and adjacent common school districts but the commission must take into consideration the existence or non-existence of obstacles of travel, such as mountains and rivers and existence or non-existence of highways and distances to high school. No common school districts shall be divided for the purpose of this act but must be made a part of a high school district in its entirety, unless such division is approved and authorized by the voters of the common school district involved, at a special election held for that purpose and such division shall be on the basis of equal area, or as near thereto as practicable in relation to the geographical features of such district, provided that the entire portion of a joint school district within the county shall be included within a high school district, provided further that in the event twenty per cent (20%) of the voters of a common school district be dissatisfied with the proposed action of said commission in dividing into and establishing high school districts, or in the proposed action of the county superintendent in consolidating and annexing a common school district theretofore constituting a part of a high school district to an existing high school district, and shall within thirty (30) days after the giving of the notice heretofore required, file their written protest with said county superintendent, then said common school district or districts shall be by said county superintendent, or by said commission as the case may be, directed to hold a special election for the purpose of determining which high school district said district shall be annexed to or into which high school district said district shall be divided as hereinbefore provided, and the said superintendent or commission, as the case may be, shall be governed by the result of said election.

History: En. Sec. 2, Ch. 275, L. 1947; 1, Ch. 237, L. 1953; amd. Sec. 1, Ch. 236, amd. Sec. 2, Ch. 188, L. 1951; amd. Sec. L. 1955.

75-4607. Alteration of boundaries — re-division — limitation. In any county which has been divided into high school building districts, at the request of any high school board of trustees, the commission, provided for in section 75-4602, may, in accord with the procedure provided in said section, alter the boundaries of said districts or re-divide the county into a different number of high school districts, provided that such alteration or re-division may not be done within three (3) years from the original division or the last alteration of boundaries and last re-division.

History: En. Sec. 1, Ch. 130, L. 1949; amd. Sec. 1, Ch. 120, L. 1953.

75-4609. Special tax levy—election. Whenever the board of trustees of the local school district within which the high school is situated shall deem it necessary to raise money for high school purposes in addition to its revenues from county and state apportionments, a meeting of the board of

trustees of the high school district together with the chairmen of the boards of trustees of all common school districts included within the high school district shall be called and held to consider the calling of an election to vote upon the question of approving a special levy for high school purposes. Provided, that any other member designated by the board of trustees of any such common school district may represent such district in place of the chairman thereof. If a majority of the board of trustees of the high school district and the designated representatives of said common school districts attending such meeting shall determine that the proposed expenditures are necessary for the proper maintenance and operation of such high school, said trustees of the high school district shall ascertain and determine the number of mills required to be raised by special levy, and shall call an election for the purpose of submitting the question of making such additional levy to the qualified electors who are taxpayers upon property within the high school district, and if approved by a majority vote of all of the taxpayers voting at such election, the result of said election shall be certified to the board of county commissioners, and the levy approved by such majority vote shall be made upon all property within said high school district.

History: En. Sec. 3, Ch. 130, L. 1949;
amd. Sec. 1, Ch. 120, L. 1953.

75-4610. Notice and conduct of election. Notice of such election shall be given and said election shall be held and conducted in all respects in the manner provided by sections 75-3802, 75-3803, 75-3804, 75-3805. Said election shall be conducted by judges and clerks of election appointed by the high school board of trustees from the residents of each respective common school district within the high school district in which the board determines what polling places shall be provided; provided that convenience to voters shall be a determining factor in selecting these polling places.

History: En. Sec. 4, Ch. 130, L. 1949;
amd. Sec. 1, Ch. 120, L. 1953.

75-4611. Approval of tax—other special levies not submitted. In the event such additional levy is approved by a majority vote of all of the taxpayers voting at said election, no other special tax for the operation and maintenance of the high school may in the same year be submitted to a vote of the taxpayers within the local school district wherein such high school is situated.

Whenever any person's right to vote shall be challenged, and he has taken the oath prescribed by the statutes, and if it is at a nominating election, then it shall be the duty of the clerks of election to write in the poll-books at the end of such person's name the words "challenged and sworn," with the name of the challenger. Thereupon the chairman of the board of judges shall write upon the back of the ballot offered by such challenged voter the number of his ballot, in order that the same may be identified in any future contest of the results of the election, and be cast out if it shall appear to the court to have been for any reason wrongfully or illegally voted for any candidate or on any question. And such marking of the name of such challenged voter, nor the testimony of any judge or clerk of election in reference thereto, or in reference to the manner in which said challenged person voted, if said testimony shall be given in the course of any contest, investigation, or trial wherein the legality of the vote of such person is questioned for any reason, shall not be deemed a violation of section 94-1407.

Any candidate who, before or during any election campaign, makes any bet or wager of anything of pecuniary value, or in any manner becomes a party to any such bet or wager on the result of the election in his electoral district, or in any part thereof, or on any event or contingency relating to any pending election, or who provides money or other valuables to be used by any person in betting or wagering upon the results of any impending election, shall be guilty of a corrupt practice. Any person who, for the purpose of influencing the result of any election, makes any bet or wager of anything of pecuniary value on the result of such election in his electoral district, or any part thereof, or of any pending election, or on any event or contingency relating thereto, shall be guilty of a corrupt practice, and in addition thereto any such act shall be ground of challenge against his right to vote.

History: En. Sec. 29, Init. Act, Nov. 1912; re-en. Sec. 10794, R. C. M. 1921.

94-1449. (10795) Personating another elector—penalty. Any person shall be deemed guilty of the offense of personation who, at any election, applies for a ballot in the name of some other person, whether it be that of a person living or dead, or of a fictitious person, or who, having voted once at an election, applies at the same election for a ballot in his own name; and on conviction thereof such person shall be punished by imprisonment in the penitentiary at hard labor for not less than one nor more than three years.

History: En. Sec. 30, Init. Act, Nov. 1912; re-en. Sec. 10795, R. C. M. 1921.

94-1450. (10796) Corrupt practice, what constitutes. Such corrupt practice shall be deemed to be prevalent when instances thereof occur in different election districts similar in character and sufficient in number to convince the court before which any case involving the same may be tried that they were general and common, or were pursuant to a general scheme or plan.

History: En. Sec. 31, Init. Act, Nov. 1912; re-en. Sec. 10796, R. C. M. 1921.

94-1451. (10797) Compensating voter for loss of time—badges and insignia. It shall be unlawful for any person to pay another for any loss or damage due to attendance at the polls, or in registering, or for the expense of transportation to or from the polls. No person shall pay for personal service to be performed on the day of a caucus, primary, convention, or any election, for any purpose connected therewith, tending in any way, directly or indirectly, to affect the result thereof, except for the hiring of persons whose sole duty is to act as challengers and watch the count of official ballots. No person shall buy, sell, give, or provide any political badge, button, or other insignia to be worn at or about the polls on the day of any election, and no such political badge, button, or other insignia shall be worn at or about the polls on any election day.

History: En. Sec. 32, Init. Act, Nov. 1912; re-en. Sec. 10797, R. C. M. 1921.

No publisher of a newspaper or other periodical shall insert, either in its advertising or reading columns, any paid matter which is designed or tends to aid, injure, or defeat any candidate or any political party or organization, or measure before the people, unless it is stated therein that it is a paid advertisement, the name of the chairman or secretary, or the names of the other officers of the political or other organization inserting the same, or the name of some voter who is responsible therefor, with his residence and the street number thereof, if any, appear in such advertisement in the nature of a signature. No person shall pay the owner, editor, publisher, or agent of any newspaper or other periodical to induce him to editorially advocate or oppose any candidate for nomination or election, and no such owner, editor, publisher, or agent shall accept such payment. Any person who shall violate any of the provisions of this section shall be punished as for a corrupt practice.

History: En. Sec. 33, Init. Act, Nov. 1912; re-en. Sec. 10798, R. C. M. 1921.

offense, and for the second and each subsequent offense occurring on the same or different election days, he shall be punished by fine as aforesaid, or by imprisonment in the county jail for not less than five nor more than thirty days, or by both such fine and imprisonment.

History: En. Sec. 34, Init. Act, Nov. 1912; re-en. Sec. 10799, R. C. M. 1921.

94-1454. (10800) Political criminal libel. It shall be unlawful to write, print, or circulate through the mails or otherwise any letter, circular, bill, placard, or poster relating to any election or to any candidate at any election, unless the same shall bear on its face the name and address of the author, and of the printer and publisher thereof; and any person writing, printing, publishing, circulating, posting, or causing to be written, printed, circulated, posted, or published any such letter, bill, placard, circular, or poster as aforesaid, which fails to bear on its face the name and address of the author and of the printer or publisher, shall be guilty of an illegal practice, and shall on conviction thereof be punished by a fine of not less than ten dollars nor more than one thousand dollars. If any letter, circular, poster, bill, publication, or placard shall contain any false statement or charges reflecting on any candidate's character, morality, or integrity, the author thereof, and every person printing or knowingly assisting in the circulation, shall be guilty of political criminal libel, and upon conviction thereof shall be punished by imprisonment in the penitentiary for not less than one nor more than three years. If the person charged with such crime shall prove on his trial that he had reasonable ground to believe such charge was true, and did believe it was true, and that he was not actuated by malice in making such publication, it shall be a sufficient defense to such charge. But in that event, and as a part of such defense, the author and the printer or publisher or other person charged with such crime shall also prove that, at least fifteen days before such letter, circular, poster, bill, or placard containing such false statement or statements was printed or circulated, he or they caused to be served personally and in person upon the candidate to whom it relates a copy thereof in writing, and calling his attention particularly to the charges contained therein, and that, before printing, publishing, or circulating such charges, he received and read any denial, defense, or explanation, if any, made or offered to him in writing by the accused candidate within ten days after the service of such charge upon the accused person.

History: En. Sec. 35, Init. Act, Nov. 1912; re-en. Sec. 10800, R. C. M. 1921.

94-1455. (10801) Filing of statement of expenses by candidate. The name of a candidate chosen at a primary nominating election, or otherwise, shall not be printed on the official ballot for the ensuing election, unless there has been filed by or on behalf of said candidate the statements of accounts and expenses relating to nominations required by this act, as well as a statement by his political agent and by his political committee or committees in his behalf, if his statement discloses the existence of such agent, committee, or committees. The officer or board entrusted by law with the preparation of the official ballots for any election shall, as far as practicable, warn candidates of the danger of the omission of their names by

reason of this provision, but delay in making any such statement beyond the time prescribed shall not preclude its acceptance or prevent the insertion of the name on the ballot, if there is reasonable time therefor after the receipt of such statements. Any such vacancy on the ballot shall be filled by the proper committee of his political party in the manner authorized by law, but not by the use of the name of the candidate who failed to file such statements. No person shall receive a certificate of election until he shall have filed the statements required by this act.

History: En. Sec. 36, Init. Act, Nov. 1912; re-en. Sec. 10801, R. C. M. 1921.

94-1456. (10802) Inducement to accept or decline nomination. It shall be unlawful for any person to accept, receive, or pay money or any valuable consideration for becoming or for refraining from becoming a candidate for nomination or election, or by himself or in combination with any other person or persons to become a candidate for the purpose of defeating the nomination or election of any other person, and not with a bona fide intent to obtain the office. Upon complaint made to any district court, if the judge shall be convinced that any person has sought the nomination, or seeks to have his name presented to the voters as a candidate for nomination by any political party, for any mercenary or venal consideration or motive, and that his candidacy for the nomination is not in good faith, the judge shall forthwith issue his writ of injunction restraining the officer or officers whose duty it is to prepare the official ballots for such nominating election from placing the name of such person thereon as a candidate for nomination to any office. In addition thereto, the court shall direct the county attorney to institute criminal proceedings against such person or persons for corrupt practice, and upon conviction thereof he and any person or persons combining with him shall be punished by a fine of not more than one thousand dollars, or imprisonment in the county jail for not more than one year.

History: En. Sec. 37, Init. Act, Nov. 1912; re-en. Sec. 10802, R. C. M. 1921.

94-1457. (10803) Forfeiture of nomination or office for violation of law, when not worked. Where, upon the trial of any action or proceeding under the provisions of this act for the contest of the right of any person declared nominated or elected to any office, or to annul or set aside such nomination or election, or to remove a person from his office, it appears from the evidence that the offense complained of was not committed by the candidate, or with his knowledge or consent, or was committed without his sanction or connivance, and that all reasonable means for preventing the commission of such offense at such election were taken by and on behalf of the candidate, or that the offense or offenses complained of were trivial, unimportant, and limited in character, and that in all other respects his participation in the election was free from such offenses or illegal acts, or that any act or omission of the candidate arose from inadvertence or from accidental miscalculation, or from some other reasonable cause of a like nature, and in any case did not arise from any want of good faith, and under the circumstances it seems to the court to be unjust that the said candidate shall forfeit his nomination or office, or be deprived of any

office of which he is the incumbent, then the nomination or election of such candidate shall not by reason of such offense or omission complained of be void, nor shall the candidate be removed from or deprived of his office.

History: En. Sec. 38, Init. Act, Nov. 1912; re-en. Sec. 10803, R. C. M. 1921.

94-1458. (10804) Punishment for violation of act. If, upon the trial of any action or proceeding under the provisions of this act, for the contesting of the right of any person declared to be nominated to an office, or elected to an office, or to annul and set aside such election, or to remove any person from his office, it shall appear that such person was guilty of any corrupt practice, illegal act, or undue influence, in or about such nomination or election, he shall be punished by being deprived of the nomination or office, as the case may be, and the vacancy therein shall be filled in the manner provided by law. The only exception to this judgment shall be that provided in the preceding section of this act. Such judgment shall not prevent the candidate or officer from being proceeded against by indictment or criminal information for any such act or acts.

History: En. Sec. 39, Init. Act, Nov. 1912; re-en. Sec. 10804, R. C. M. 1921.

94-1459. (10805) Time for commencing contest. Any action to contest the right of any person declared elected to an office, or to annul and set aside such election, or to remove from or deprive any person of an office of which he is the incumbent, for any offense mentioned in this act, must, unless a different time be stated, be commenced within forty days after the return day of the election at which such offense was committed, unless the ground of the action or proceeding is for the illegal payment of money or other valuable thing subsequent to the filing of the statements prescribed by this act, in which case the action or proceeding may be commenced within forty days after the discovery by the complainant of such illegal payment. A contest of the nomination or office of governor or representative or senator in congress must be commenced within twenty days after the declaration of the result of the election, but this shall not be construed to apply to any contest before the legislative assembly.

History: En. Sec. 40, Init. Act, Nov. 1912; re-en. Sec. 10805, R. C. M. 1921.

94-1460. (10806) Court having jurisdiction of proceedings. An application for filing a statement, payment of a claim, or correction of an error or false recital in a statement filed, or an action or proceeding to annul and set aside the election of any person declared elected to an office, or to remove or deprive any person of his office for an offense mentioned in this act, or any petition to excuse any person or candidate in accordance with the power of the court to excuse as provided in section 94-1457, must be made or filed in the district court of the county in which the certificate of his nomination as a candidate for the office to which he is declared nominated or elected is filed, or in which the incumbent resides.

History: En. Sec. 41, Init. Act, Nov. 1912; re-en. Sec. 10806, R. C. M. 1921.

94-1461. (10807) Repealed—Chapter 50, Laws of 1947.

94-1462. (10808) Duty of county attorney on violation of act—penalty for neglect or refusal to act. If any county attorney shall be notified by any officer or other person of any violation of any of the provisions of this act within his jurisdiction, it shall be his duty forthwith to diligently inquire into the facts of such violation, and if there is reasonable ground for instituting a prosecution, it shall be the duty of such county attorney to file a complaint or information in writing, before a court of competent jurisdiction, charging the accused person with such offense; if any county attorney shall fail or refuse to faithfully perform any duty imposed upon him by this act, he shall be deemed guilty of a misdemeanor, and upon conviction thereof shall forfeit his office. It shall be the duty of the county attorney, under penalty of forfeiture of his office, to prosecute any and all persons guilty of any violation of the provisions of this act, the penalty of which is fine or imprisonment, or both, or removal from office.

History: En. Sec. 43, Init. Act, Nov. 1912; re-en. Sec. 10808, R. C. M. 1921.

94-1463. (10809) Declaration of result of election after rejection of illegal votes. If, in any case of a contest on the ground of illegal votes, it appears that another person than the one returned has the highest number of legal votes, after the illegal votes have been eliminated, the court must declare such person nominated or elected, as the case may be.

History: En. Sec. 44, Init. Act, Nov. 1912; re-en. Sec. 10809, R. C. M. 1921.

94-1464. (10810) Grounds for contest of nomination or office. Any elector of the state, or of any political or municipal division thereof, may contest the right of any person to any nomination or office for which such elector has the right to vote, for any of the following causes:

1. On the ground of deliberate, serious, and material violation of any of the provisions of this act, or of any other provision of the law relating to nominations or elections.

2. When the person whose right was contested was not, at the time of the election, eligible to such office.

3. On account of illegal votes or an erroneous or fraudulent count or canvass of votes.

History: En. Sec. 45, Init. Act, Nov. 1912; re-en. Sec. 10810, R. C. M. 1921.

94-1465. (10811) Nomination or election not to be vacated, when. Nothing in the third ground of contest specified in the preceding section is to be so construed as to authorize a nomination or election to be set aside on account of illegal votes, unless it appear, either that the candidate or nominee whose right is contested had knowledge of or connived at such illegal votes, or that the number of illegal votes given to the person whose right to the nomination or office is contested, if taken from him, would reduce the number of his legal votes below the number of votes given to some other person for the same nomination or office, after deducting therefrom the illegal votes which may be shown to have been given to such other person.

History: En. Sec. 46, Init. Act, Nov. 1912; re-en. Sec. 10811, R. C. M. 1921.

94-1466. (10812) Reception of illegal votes, allegations and evidence. When the reception of illegal votes is alleged as a cause of contest, it shall be sufficient to state generally that in one or more specified voting precincts illegal votes were given to the person whose nomination or election is contested, which, if taken from him, will reduce the number of his legal votes below the number of legal votes given to some other person for the same office; but no testimony shall be received of any illegal votes, unless the party contesting such election deliver to the opposite party, at least three days before such trial, a written list of the number of illegal votes, and by whom given, which he intends to prove on such trial. This provision shall not prevent the contestant from offering evidence of illegal votes not included in such statement, if he did not know and by reasonable diligence was unable to learn of such additional illegal votes, and by whom they were given, before delivering such written list.

History: En. Sec. 47, Init. Act, Nov. 1912; re-en. Sec. 10812, R. C. M. 1921.

94-1467. (10813) Contents of contest petition—amendment—bond—costs—citation—precedence. Any petition contesting the right of any person to a nomination or election shall set forth the name of every person whose election is contested, and the grounds of the contest, and shall not thereafter be amended, except by leave of the court. Before any proceeding thereon the petitioner shall give bond to the state in such sum as the court may order, not exceeding two thousand dollars, with not less than two sureties, who shall justify in the manner required of sureties on bailbonds, conditioned to pay all costs, disbursements, and attorney's fees that may be awarded against him if he shall not prevail. If the petitioner prevails, he may recover his costs, disbursements, and reasonable attorney's fees against the contestee. But costs, disbursements, and attorney's fees, in all such cases, shall be in the discretion of the court, and in case judgment is rendered against the petitioner, it shall also be rendered against the sureties on the bond. On the filing of any such petition, the clerk shall immediately notify the judge of the court, and issue a citation to the person whose nomination or office is contested, citing them to appear and answer, not less than three nor more than seven days after the date of filing the petition, and the court shall hear said cause, and every such contest shall take precedence over all other business on the court docket, and shall be tried and disposed of with all convenient despatch. The court shall always be deemed in session for the trial of such cases.

History: En. Sec. 48, Init. Act, Nov. 1912; re-en. Sec. 10813, R. C. M. 1921.

94-1468. (10814) Hearing of contest. The petitioner (contestant) and the contestee may appear and produce evidence at the hearing, but no person, other than the petitioner and contestee, shall be made a party to the proceedings on such petition; and no person, other than said parties and their attorneys, shall be heard thereon, except by order of the court. If more than one petition is pending, or the election of more than one person is contested, the court may, in its discretion, order the cases to be heard together, and may apportion the costs, disbursements, and attorney's fees between them, and shall finally determine all questions of law and fact,

save only that the judge may, in his discretion, impanel a jury to decide on questions of fact. In the case of other nominations or elections, the court shall forthwith certify its decision to the board or official issuing certificates of nomination or election, which board or official shall thereupon issue certificates of nomination or election to the person or persons entitled thereto by such decision. If judgment of ouster against a defendant shall be rendered, said judgment shall award the nomination or office to the person receiving next the highest number of votes, unless it shall be further determined in the action, upon appropriate pleading and proof by the defendant, that some act has been done or committed which would have been ground in a similar action against such person, had he received the highest number of votes for such nomination or office, for a judgment of ouster against him; and if it shall be so determined at the trial, the nomination or office shall be by the judgment declared vacant, and shall thereupon be filled by a new election, or by appointment, as may be provided by law regarding vacancies in such nomination or office.

History: En. Sec. 49, Init. Act, Nov. 1912; re-en. Sec. 10814, R. C. M. 1921.

In like manner as prescribed for the contesting of an election, any corporation organized under the laws of or doing business in the state of Montana may be brought into court on the ground of deliberate, serious, and material violation of the provisions of this act. The petition shall be filed in the district court in the county where said corporation has its principal office, or where the violation of law is averred to have been committed. The court, upon conviction of such corporation, may impose a fine of not more than ten thousand dollars, or may declare a forfeiture of the charter and franchises of the corporation, if organized under the laws of this state, or if it be a foreign corporation, may enjoin said corporation from further transacting business in this state, or by both such fine and forfeiture, or by both such fine and injunction.

History: En. Sec. 50, Init. Act, Nov. 1912; re-en. Sec. 10815, R. C. M. 1921.

94-1470. (10816) Penalty for violations not otherwise provided for. Whoever violates any provision of this act, the punishment for which is not specially provided by law, shall on conviction thereof be punished by imprisonment in the county jail for not more than one year, or by a fine of not more than five thousand dollars, or by both such fine and imprisonment.

History: En. Sec. 51, Init. Act, Nov. 1912; re-en. Sec. 10816, R. C. M. 1921.

94-1471. (10817) Advancement of cases—dismissal, when—privileges of witnesses. Proceedings under this act shall be advanced on the docket upon request of either party for speedy trial, but the court may postpone or continue such trial if the ends of justice may be thereby more effectually secured, and in case of such continuance or postponement, the court may impose costs in its discretion as a condition thereof. No petition shall be dismissed without the consent of the county attorney, unless the same shall be dismissed by the court. No person shall be excused from testifying or producing papers or documents on the ground that his testimony or the pro-

duction of papers or documents will tend to criminate him; but no admission, evidence, or paper made or advanced or produced by such person shall be offered or used against him in any civil or criminal prosecution, or any evidence that is the direct result of such evidence or information that he may have so given, except in a prosecution for perjury committed in such testimony.

History: En. Sec. 52, Init. Act, Nov. 1912; re-en. Sec. 10817, R. C. M. 1921.
